GOVERNMENT CODE - GOV

TITLE 5. LOCAL AGENCIES [50001 - 57607] (Title 5 added by Stats. 1949, Ch. 81.)

DIVISION 2. CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 55821] (Division 2 added by Stats. 1949, Ch. 81.)

PART 1. POWERS AND DUTIES COMMON TO CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 54999.7] (Part 1 added by Stats. 1949, Ch. 81.)

CHAPTER 9. Meetings [54950 - 54963] (Chapter 9 added by Stats. 1953, Ch. 1588.)

54950. In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

(Added by Stats. 1953, Ch. 1588.)

54950.5. This chapter shall be known as the Ralph M. Brown Act.

(Added by Stats. 1961, Ch. 115.)

54951. As used in this chapter, "local agency" means a county, city, whether general law or chartered, city and county, town, school district, municipal corporation, district, political subdivision, or any board, commission or agency thereof, or other local public agency.

(Amended by Stats. 1959, Ch. 1417.)

54952. As used in this chapter, "legislative body" means:

- (a) The governing body of a local agency or any other local body created by state or federal statute.
- (b) A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.
- (c) (1) A board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that either:
 - (A) Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation, limited liability company, or other entity.
 - (B) Receives funds from a local agency and the membership of whose governing body includes a member of the legislative body of the local agency appointed to that governing body as a full voting member by the legislative body of the local agency.

(2) Notwithstanding subparagraph (B) of paragraph (1), no board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that receives funds from a local agency and, as of February 9, 1996, has a member of the legislative body of the local agency as a full voting

member of the governing body of that private corporation, limited liability company, or other entity shall be relieved from the public meeting requirements of this chapter by virtue of a change in status of the full voting member to a nonvoting member.

(d) The lessee of any hospital the whole or part of which is first leased pursuant to subdivision (p) of Section 32121 of the Health and Safety Code after January 1, 1994, where the lessee exercises any material authority of a legislative body of a local agency delegated to it by that legislative body whether the lessee is organized and operated by the local agency or by a delegated authority.

(Amended by Stats. 2002, Ch. 1073, Sec. 2. Effective January 1, 2003.)

54952.1. Any person elected to serve as a member of a legislative body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this chapter and shall be treated for purposes of enforcement of this chapter as if he or she has already assumed office.

(Amended by Stats. 1994, Ch. 32, Sec. 2. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54952.2. (a) As used in this chapter, "meeting" means any congregation of a majority of the members of a legislative body at the same time and location, including teleconference location as permitted by Section 54953, to hear, discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the legislative body.

(b) (1) A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

(2) Paragraph (1) shall not be construed as preventing an employee or official of a local agency, from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the local agency, if that person does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.

(3) (A) Paragraph (1) shall not be construed as preventing a member of the legislative body from engaging in separate conversations or communications on an internet-based social media platform to answer questions, provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the legislative body provided that a majority of the members of the legislative body do not use the internet-based social media platform to discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body. A member of the legislative body shall not respond directly to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the legislative body that is made, posted, or shared by any other member of the legislative body.

(B) For purposes of this paragraph, all of the following definitions shall apply:

(i) "Discuss among themselves" means communications made, posted, or shared on an internet-based social media platform between members of a legislative body, including comments or use of digital icons that express reactions to communications made by other members of the legislative body.

(ii) "Internet-based social media platform" means an online service that is open and accessible to the public.

(iii) "Open and accessible to the public" means that members of the general public have the ability to access and participate, free of charge, in the social media platform without the approval by the social media platform or a person or entity other than the social media platform, including any forum and chatroom, and cannot be blocked from doing so, except when the internet-based social media platform determines that an individual violated its protocols or rules.

(c) Nothing in this section shall impose the requirements of this chapter upon any of the following:

(1) Individual contacts or conversations between a member of a legislative body and any other person that do not violate subdivision (b).

(2) The attendance of a majority of the members of a legislative body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency. Nothing in this paragraph is intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

(3) The attendance of a majority of the members of a legislative body at an open and publicized meeting organized to address a topic of local community concern by a person or organization other than the local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(4) The attendance of a majority of the members of a legislative body at an open and noticed meeting of another body of the local agency, or at an open and noticed meeting of a legislative body of another local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(5) The attendance of a majority of the members of a legislative body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(6) The attendance of a majority of the members of a legislative body at an open and noticed meeting of a standing committee of that body, provided that the members of the legislative body who are not members of the standing committee attend only as observers.

(Amended (as amended by Stats. 2020, Ch. 89, Sec. 1) by Stats. 2025, Ch. 327, Sec. 1. (SB 707) Effective January 1, 2026.)

54952.3. (a) A legislative body that has convened a meeting and whose membership constitutes a quorum of any other legislative body may convene a meeting of that other legislative body, simultaneously or in serial order, only if a clerk or a member of the convened legislative body verbally announces, prior to convening any simultaneous or serial order meeting of that subsequent legislative body, the amount of compensation or stipend, if any, that each member will be entitled to receive as a result of convening the simultaneous or serial meeting of the subsequent legislative body and identifies that the compensation or stipend shall be provided as a result of convening a meeting for which each member is entitled to collect compensation or a stipend. However, the clerk or member of the legislative body shall not be required to announce the amount of compensation if the amount of compensation is prescribed in statute and no additional compensation has been authorized by a local agency.

(b) For purposes of this section, compensation and stipend shall not include amounts reimbursed for actual and necessary expenses incurred by a member in the performance of the member's official duties, including, but not limited to, reimbursement of expenses relating to travel, meals, and lodging.

(Added by Stats. 2011, Ch. 91, Sec. 1. (AB 23) Effective January 1, 2012.)

54952.6. As used in this chapter, "action taken" means a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or a negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance.

54952.7. A local agency shall provide a copy of this chapter to any person elected or appointed to serve as a member of a legislative body of the local agency.

(Amended by Stats. 2025, Ch. 327, Sec. 3. (SB 707) Effective January 1, 2026.)

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding

authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. If the legislative body of a local agency elects to use teleconferencing, the legislative body of a local agency shall comply with all of the following:

(A) All votes taken during a teleconferenced meeting shall be by rollcall.

(B) The teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency.

(C) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(D) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as expressly provided in this chapter.

(4) The teleconferencing requirements of this subdivision shall not apply to remote participation described in subdivision (c).

(c) (1) Nothing in this chapter shall be construed to prohibit a member of a legislative body with a disability from participating in any meeting of the legislative body by remote participation as a reasonable accommodation pursuant to any applicable law.

(2) A member of a legislative body participating in a meeting by remote participation pursuant to this subdivision shall do both of the following:

(A) The member shall participate through both audio and visual technology, except that any member with a disability, as defined in Section 12102 of Title 42 of the United States Code, may participate only through audio technology if a physical condition related to their disability results in a need to participate off camera.

(B) The member shall disclose at the meeting before any action is taken, whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any of those individuals.

(3) Remote participation under this subdivision shall be treated as in-person attendance at the physical meeting location for all purposes, including any requirement that a quorum of the legislative body participate from any particular location. The provisions of subdivision (b) and Sections 54953.8 to 54953.8.7, inclusive, shall not apply to remote participation under this subdivision.

(d) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(3) (A) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of either of the following during the open meeting in which the final action is to be taken:

(i) A local agency executive, as defined in subdivision (d) of Section 3511.1.

(ii) A department head or other similar administrative officer of the local agency.

(B) This paragraph shall not affect the public's right under the California Public Records Act (Division 10 commencing with Section 7920.000) of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(e) For purposes of this section, both of the following definitions apply:

(1) "Disability" means a physical disability or a mental disability as those terms are defined in Section 12926 and used in Section 12926.1, or a disability as defined in Section 12102 of Title 42 of the United States Code.

(2) (A) "Teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both.

(B) Notwithstanding subparagraph (A), "teleconference" does not include one or more members watching or listening to a meeting via webcasting or any other similar electronic medium that does not permit members to interactively speak, discuss, or deliberate on matters.

(3) "Remote participation" means participation in a meeting by teleconference at a location other than any physical meeting location designated in the notice of the meeting.

(Amended (as amended by Stats. 2023, Ch. 534, Sec. 2) by Stats. 2025, Ch. 327, Sec. 4. (SB 707) Effective January 1, 2026.)

54953.1. The provisions of this chapter shall not be construed to prohibit the members of the legislative body of a local agency from giving testimony in private before a grand jury, either as individuals or as a body.

54953.2. All meetings of a legislative body of a local agency that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(Added by Stats. 2002, Ch. 300, Sec. 5. Effective January 1, 2003.)

54953.3. A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

(Amended by Stats. 1981, Ch. 968, Sec. 28.)

54953.4. (a) The Legislature finds and declares that public access, including through translation of agendas as required by this section, is necessary for an informed populace. The Legislature encourages local agencies to adopt public access requirements that exceed the requirements of this chapter by translating additional languages, employing human translators, and conducting additional outreach.

(b) (1) In addition to any other applicable requirements of this chapter, a meeting held by a eligible legislative body pursuant to this chapter shall comply with both of the following requirements:

(A) (i) (I) (ia) All open and public meetings shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform, except if adequate telephonic or internet service is not operational at the meeting location. If adequate telephonic or internet service is operational at the meeting location during only a portion of the meeting, the legislative body shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform during that portion of the meeting.

(ib) (Ia) On or before July 1, 2026, an eligible legislative body shall approve at a noticed public meeting in open session, not on the consent calendar, a policy regarding disruption of telephonic or internet service occurring during meetings subject to this sub-subclause. The policy shall address the procedures for recessing and reconvening a meeting in the event of disruption and the efforts that the eligible legislative body shall make to attempt to restore the service.

(Ib) If a disruption of telephonic or internet service that prevents members of the public from attending or observing the meeting via the two-way telephonic service or two-way audiovisual platform occurs during the meeting, the eligible legislative body shall recess the open session of the meeting for at least one hour and make a good faith attempt to restore the service. The eligible legislative body may meet in closed session during this period. The eligible legislative body

shall not reconvene the open session of the meeting until at least one hour following the disruption, or until telephonic or internet service is restored, whichever is earlier.

(Ic) Upon reconvening the open session, if telephonic or internet service has not been restored, the eligible legislative body shall adopt a finding by rollcall vote that good faith efforts to restore the telephonic or internet service have been made in accordance with the policy adopted pursuant to sub-sub-subclause (Ia) and that the public interest in continuing the meeting outweighs the public interest in remote public access.

(II) Subclause (I) does not apply to a meeting that is held to do any of the following:

(ia) Attend a judicial or administrative proceeding to which the local agency is a party.

(ib) Inspect real or personal property provided that the topic of the meeting is limited to items directly related to the real or personal property.

(ic) Meet with elected or appointed officials of the United States or the State of California, solely to discuss a legislative or regulatory issue affecting the local agency and over which the federal or state officials have jurisdiction.

(id) Meet in or nearby a facility owned by the agency, provided that the topic of the meeting is limited to items directly related to the facility.

(ie) Meet in an emergency situation pursuant to Section 54956.5.

(ii) If an eligible legislative body elects to provide a two-way audiovisual platform, the eligible legislative body shall publicly post and provide a call-in option, and activate any automatic captioning function during the meeting if an automatic captioning function is included with the two-way audiovisual platform. If an eligible legislative body does not elect to provide a two-way audiovisual platform, the eligible legislative body shall provide a two-way telephonic service for the public to participate in the meeting, pursuant to subclause (I).

(B) (i) All open and public meetings for which attendance via a two-way telephonic service or a two-way audiovisual platform is provided in accordance with paragraph (1) shall provide the public with an opportunity to provide public comment in accordance with Section 54954.3 via the two-way telephonic or two-way audiovisual platform, and ensure the opportunity for the members of the public participating via a two-way telephonic or two-way audiovisual platform to provide public comment with the same time allotment as a person attending a meeting in person.

(2) (A) An eligible legislative body shall reasonably assist members of the public who wish to translate a public meeting into any language or wish to receive interpretation provided by another member of the public, so long as the interpretation is not disrupting to the meeting, as defined in Section 54957.95. The eligible legislative body shall publicize instructions on how to request assistance under this subdivision. Assistance may include any of the following, as determined by the eligible legislative body:

(i) Arranging space for one or more interpreters at the meeting location.

(ii) Allowing extra time during the meeting for interpretation to occur.

(iii) Ensuring participants may utilize their personal equipment or reasonably access facilities for participants to access commercially available interpretation services.

(B) This section does not require an eligible legislative body to provide interpretation of any public meeting, however, an eligible legislative body may elect to provide interpretation of any public meeting.

(C) The eligible legislative body is not responsible for the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision. An action shall not be commenced or maintained against the eligible legislative body arising from the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision.

(3) An eligible legislative body shall take the following actions to encourage residents, including those in underrepresented communities and non-English-speaking communities, to participate in public meetings:

(A) Have in place a system for electronically accepting and fulfilling requests for meeting agendas and documents pursuant to Section 54954.1 through email or through an integrated agenda management

platform. Information about how to make a request using this system shall be accessible through a prominent direct link posted on the primary internet website home page of the eligible legislative body.

(B) (i) Create and maintain an accessible internet webpage dedicated to public meetings that includes, or provides a link to, all of the following information:

(I) A general explanation of the public meeting process for the eligible legislative body.

(II) An explanation of the procedures for a member of the public to provide in-person or remote oral public comment during a public meeting or to submit written public comment.

(III) A calendar of all public meeting dates with calendar listings that include the date, time, and location of each public meeting.

(IV) The agenda posted online pursuant to paragraph (2) of subdivision (a) of Section 54954.2.

(ii) The eligible legislative body shall include a link to the webpage required by subparagraph (A) on the home page of the eligible legislative body's internet website.

(C) (i) Make reasonable efforts, as determined by the legislative body, to invite groups that do not traditionally participate in public meetings to attend those meetings, which may include, but are not limited to, all the following:

(I) Media organizations that provide news coverage in the jurisdiction of the eligible legislative body, including media organizations that serve non-English-speaking communities.

(II) Good government, civil rights, civic engagement, neighborhood, and community group organizations, or similar organizations that are active in the jurisdiction of the eligible legislative body, including organizations active in non-English-speaking communities.

(ii) Legislative bodies shall have broad discretion in the choice of reasonable efforts they make under this subparagraph. No action shall be commenced or maintained against an eligible legislative body arising from failing to provide public meeting information to any specific group pursuant to this subparagraph.

(c) (1) (A) The agenda for each meeting of an eligible legislative body shall be translated into all applicable languages, and each translation shall be posted in accordance with Section 54954.2. Each translation shall include instructions in the applicable language describing how to join the meeting by the telephonic or internet-based service option, including any requirements for registration for public comment.

(B) The accessible internet webpage provided under subparagraph (B) of paragraph (3) of subdivision (b) shall be translated into all applicable languages, and each translation shall be accessible through a prominent direct link posted on the primary internet website home page of the eligible legislative body.

(2) A translation made using a digital translation service shall satisfy the requirements of paragraph (1).

(3) The eligible legislative body shall make available a physical location that is freely accessible to the public in reasonable proximity to the physical location in which the agenda and translations are posted as described in paragraph (1), and shall allow members of the public to post additional translations of the agenda in that location.

(4) The eligible legislative body is not responsible for the content or accuracy of any translation provided pursuant to this subdivision. No action shall be commenced or maintained against an eligible legislative body arising from the content, accuracy, posting, or removal of any translation provided by the eligible legislative body or posted by any person pursuant to this subdivision.

(5) For the purposes of this section, the agenda does not include the entire agenda packet.

(d) This section shall not be construed to affect or supersede any other applicable civil rights, nondiscrimination, or public access laws.

(e) For purposes of this section, all of the following definitions apply:

(1) (A) "Applicable languages" means languages, according to data from the most recent American Community Survey, spoken jointly by 20 percent or more of the applicable population, provided that 20 percent or more of the population that speaks that language in that city or county speaks English less than "very well."

(B) For the purposes of subparagraph (A), the applicable population shall be determined as follows:

(i) For an eligible legislative body that is a city council or county board of supervisors, the applicable population shall be the population of the city or county.

(ii) For an eligible legislative body of a special district, the applicable population shall be either of the following, at the discretion of the board of directors of the special district:

(I) The population of the county with the greatest population within the boundaries of the special district.

54954. (a) Each legislative body of a local agency, except for advisory committees or standing committees, shall provide, by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body, the time and place for holding regular meetings. Meetings of advisory committees or standing committees, for which an agenda is posted at least 72 hours in advance of the meeting pursuant to subdivision (a) of Section 54954.2, shall be considered for purposes of this chapter as regular meetings of the legislative body.

(b) Regular and special meetings of the legislative body shall be held within the boundaries of the territory over which the local agency exercises jurisdiction, except to do any of the following:

(1) Comply with state or federal law or court order, or attend a judicial or administrative proceeding to which the local agency is a party.

(2) Inspect real or personal property which cannot be conveniently brought within the boundaries of the territory over which the local agency exercises jurisdiction provided that the topic of the meeting is limited to items directly related to the real or personal property.

(3) Participate in meetings or discussions of multiagency significance that are outside the boundaries of a local agency's jurisdiction. However, any meeting or discussion held pursuant to this subdivision shall take place within the jurisdiction of one of the participating local agencies and be noticed by all participating agencies as provided for in this chapter.

(4) Meet in the closest meeting facility if the local agency has no meeting facility within the boundaries of the territory over which the local agency exercises jurisdiction, or at the principal office of the local agency if that office is located outside the territory over which the agency exercises jurisdiction.

(Amended by Stats. 2004, Ch. 257, Sec. 1. Effective January 1, 2005.)

54954.1. Any person may request that a copy of the agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. If a local agency has an internet website, the legislative body or its designee shall email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the item or items be delivered by email. If the local agency determines it is technologically infeasible to send a copy of all documents constituting the agenda packet or

a link to a website that contains the documents by email or by other electronic means, the legislative body or its designee shall send by mail a copy of the agenda or a website link to the agenda and mail a copy of all other documents constituting the agenda packet in accordance with the mailing requirements established pursuant to this section. If requested, the agenda and documents in the agenda packet shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Upon receipt of the written request, the legislative body or its designee shall cause the requested materials to be mailed at the time the agenda is posted pursuant to Section 54954.2 and 54956 or upon distribution to all, or a majority of all, of the members of a legislative body, whichever occurs first. Any request for mailed copies of agendas or agenda packets shall be valid for the calendar year in which it is filed, and must be renewed following January 1 of each year. The legislative body may establish a fee for mailing the agenda or agenda packet, which fee shall not exceed the cost of providing the service. Failure of the requesting person to receive the agenda or agenda packet pursuant to this section shall not constitute grounds for invalidation of the actions of the legislative body taken at the meeting for which the agenda or agenda packet was not received.

(Amended by Stats. 2021, Ch. 763, Sec. 1. (SB 274) Effective January 1, 2022.)

54954.2. (a) (1) At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda that meets all of the following requirements:

(A) The agenda shall contain a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words.

(B) The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public and on the local agency's internet website, if the local agency has one.

(C) (i) If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(ii) The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting.

(2) For a meeting occurring on and after January 1, 2019, of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an internet website, the following provisions shall apply:

(A) An online posting of an agenda shall be posted on the primary internet website home page of a city, county, city and county, special district, school district, or political subdivision established by the state that is accessible through a prominent, direct link to the current agenda. The direct link to the agenda shall not be in a contextual menu; however, a link in addition to the direct link to the agenda may be accessible through a contextual menu.

(B) An online posting of an agenda, including, but not limited to, an agenda posted in an integrated agenda management platform, shall be posted in an open format that meets all of the following requirements:

(i) Retrievable, downloadable, indexable, and electronically searchable by commonly used internet search applications.

(ii) Platform independent and machine readable.

(iii) Available to the public free of charge and without any restriction that would impede the reuse or redistribution of the agenda.

(C) A legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an internet website and an integrated agenda management platform shall not be required to comply with subparagraph (A) if all of the following are met:

(i) A direct link to the integrated agenda management platform shall be posted on the primary internet website home page of a city, county, city and county, special district, school district, or political subdivision established by the state. The direct link to the integrated agenda management platform shall not be in a contextual menu. When a person clicks on the direct link to the integrated agenda management platform, the direct link shall take the person directly to an internet website with the agendas of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state.

(ii) The integrated agenda management platform may contain the prior agendas of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state for all meetings occurring on or after January 1, 2019.

(iii) The current agenda of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state shall be the first agenda available at the top of the integrated agenda management platform.

(iv) All agendas posted in the integrated agenda management platform shall comply with the requirements in clauses (i), (ii), and (iii) of subparagraph (B).

(D) The provisions of this paragraph shall not apply to a political subdivision of a local agency that was established by the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state.

(E) For purposes of this paragraph, both of the following definitions apply:

(1) "Integrated agenda management platform" means an internet website of a city, county, city and county, special district, school district, or political subdivision established by the state dedicated to providing the entirety of the agenda information for the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state to the public.

(2) "Legislative body" means a legislative body that meets the definition of subdivision (a) of Section 54952.

(3) No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3. In addition, on their own initiative or in response to questions posed by the public, a member of a legislative body or its staff may ask a question for clarification, make a brief announcement, or make a brief report on their own activities. Furthermore, a member of a legislative body, or the body itself, subject to rules or procedures of the legislative body, may provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

(b) Notwithstanding subdivision (a), the legislative body may take action on items of business not appearing on the posted agenda under any of the conditions stated below. Prior to discussing any item pursuant to this subdivision, the legislative body shall publicly identify the item.

(1) Upon a determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.

(2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the agenda being posted as specified in subdivision (a).

(3) The item was posted pursuant to subdivision (a) for a prior meeting of the legislative body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

(c) This section is necessary to implement and reasonably within the scope of paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(d) For purposes of subdivision (a), the requirement that the agenda be posted on the local agency's internet website, if the local agency has one, shall only apply to a legislative body that meets either of the following standards:

(1) A legislative body as that term is defined by subdivision (a) of Section 54952.

(2) A legislative body as that term is defined by subdivision (b) of Section 54952, if the members of the legislative body are compensated for their appearance, and if one or more of the members of the legislative body are also members of a legislative body as that term is defined by subdivision (a) of Section 54952.

(Amended (as amended by Stats. 2023, Ch. 131, Sec. 92) by Stats. 2025, Ch. 327, Sec. 16. (SB 707) Effective January 1, 2026.)

54954.3. (a) (1) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2.

(2) (A) Notwithstanding paragraph (1), the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item.

(B) Subparagraph (A) shall not apply if any of the following conditions are met:

(i) The item has been substantially changed since the committee heard the item, as determined by the legislative body.

(ii) When considering the item, a quorum of the committee members did not participate from a singular physical location, that was clearly identified on the agenda, open to the public, and situated within the boundaries of the territory over which the local agency exercises jurisdiction.

(iii) The committee has primary subject matter jurisdiction, as defined by the charter, an ordinance, a resolution, or any formal action of the legislative body that created the subsidiary body, that focuses on elections, budgets, police oversight, privacy, removing from, or restricting access to, materials available in public libraries, or taxes or related spending proposals. This clause shall not apply to an item if the local agency has adopted a law applicable to the meeting of the committee at which the item that was considered prohibits the committee from placing a limit on the total amount of time for public comment on the item.

(3) Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

(b) (1) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.

(2) Notwithstanding paragraph (1), when the legislative body of a local agency limits time for public comment, the legislative body of a local agency shall provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the legislative body of a local agency.

(3) Paragraph (2) shall not apply if the legislative body of a local agency utilizes simultaneous translation equipment in a manner that allows the legislative body of a local agency to hear the translated public testimony simultaneously.

(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(Amended by Stats. 2025, Ch. 327, Sec. 17. (SB 707) Effective January 1, 2026.)

54954.4. (a) The Legislature hereby finds and declares that Section 12 of Chapter 641 of the Statutes of 1986, authorizing reimbursement to local agencies and school districts for costs mandated by the state pursuant to that act, shall be interpreted strictly. The intent of the Legislature is to provide reimbursement for only those costs

which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986.

(b) In this regard, the Legislature directs all state employees and officials involved in reviewing or authorizing claims for reimbursement, or otherwise participating in the reimbursement process, to rigorously review each claim and authorize only those claims, or parts thereof, which represent costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986 and for which complete documentation exists. For purposes of Section 54954.2, costs eligible for reimbursement shall only include the actual cost to post a single agenda for any one meeting.

(c) The Legislature hereby finds and declares that complete, faithful, and uninterrupted compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code) is a matter of overriding public importance. Unless specifically stated, no future Budget Act, or related budget enactments, shall, in any manner, be interpreted to suspend, eliminate, or otherwise modify the legal obligation and duty of local agencies to fully comply with Chapter 641 of the Statutes of 1986 in a complete, faithful, and uninterrupted manner.

54955. The legislative body of a local agency may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the legislative body may declare the meeting adjourned to a stated time and place and he shall cause a written notice of the adjournment to be given in the same manner as provided in Section 54956 for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

(Amended by Stats. 1959, Ch. 647.)

54955.1. Any hearing being held, or noticed or ordered to be held, by a legislative body of a local agency at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the legislative body in the same manner and to the same extent set forth in Section 54955 for the adjournment of meetings; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(Added by Stats. 1965, Ch. 469.)

54956. (a) (1) A special meeting may be called at any time by the presiding officer of the legislative body of a local agency, or by a majority of the members of the legislative body, by delivering written notice to each member of the legislative body and to each local newspaper of general circulation and radio or television station requesting notice in writing and posting a notice on the local agency's internet website, if the local agency has one. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the legislative body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the legislative body a written waiver of notice. The waiver may be given by telephone or electronic mail. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

(2) The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public.

(b) Notwithstanding any other law, a legislative body shall not call a special meeting regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits, of the legislative body or of a local agency executive, as defined in subdivision (d) of Section 3511.1. However, this subdivision does not apply to a local agency calling a special meeting to discuss the local agency's budget.

(Amended by Stats. 2025, Ch. 327, Sec. 18. (SB 707) Effective January 1, 2026.)

54956.5. (a) For purposes of this section, "emergency situation" means both of the following:

(1) An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.

(2) A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring a legislative body to provide one-hour notice before holding an emergency meeting under this section may endanger the public health, safety, or both, as determined by a majority of the members of the legislative body.

(b) (1) Subject to paragraph (2), in the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a legislative body may hold an emergency meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement of Section 54956 or both of the notice and posting requirements.

(2) Each local newspaper of general circulation and radio or television station that has requested notice of special meetings pursuant to Section 54956 shall be notified by the presiding officer of the legislative body, or designee thereof, one hour prior to the emergency meeting, or, in the case of a dire emergency, at or near the time that the presiding officer or designee notifies the members of the legislative body of the emergency meeting.

(A) Except as provided in subparagraph (B), the notice required by this paragraph shall be given by telephone and all telephone numbers provided in the most recent request of a newspaper or station for notification of special meetings shall be exhausted. In the event that telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(B) For an emergency meeting held pursuant to this section, the presiding officer of the legislative body, or designee thereof, may send the notifications required by this paragraph by email instead of by telephone, as provided in subparagraph (A), to all local newspapers of general circulation, and radio or television stations, that have requested those notifications by email, and all email addresses provided by representatives of those newspapers or stations shall be exhausted. In the event that internet services and telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(c) During a meeting held pursuant to this section, the legislative body may meet in closed session pursuant to Section 54957 if agreed to by a two-thirds vote of the members of the legislative body present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present.

(d) All special meeting requirements, as prescribed in Section 54956 shall be applicable to a meeting called pursuant to this section, with the exception of the 24-hour notice requirement.

(e) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the legislative body, or designee of the legislative body, notified or attempted to notify, a copy of the rollcall vote, and any actions taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

(Amended by Stats. 2025, Ch. 327, Sec. 19. (SB 707) Effective January 1, 2026.)

54956.6. No fees may be charged by the legislative body of a local agency for carrying out any provision of this chapter, except as specifically authorized by this chapter.

(Added by Stats. 1980, Ch. 1284.)

54956.7. Whenever a legislative body of a local agency determines that it is necessary to discuss and determine whether an applicant for a license or license renewal, who has a criminal record, is sufficiently rehabilitated to obtain the license, the legislative body may hold a closed session with the applicant and the applicant's attorney, if any, for the purpose of holding the discussion and making the determination. If the legislative body determines, as a result of the closed session, that the issuance or renewal of the license should be denied, the applicant shall be offered the opportunity to withdraw the application. If the applicant withdraws the application, no record shall be kept of the discussions or decisions made at the closed session and all matters relating to the closed session shall be confidential. If the applicant does not withdraw the application, the legislative body shall take action at the public meeting during which the closed session is held or at its next public meeting denying the application for the license but all matters relating to the closed session are confidential and shall not be disclosed without the consent of the applicant, except in an action by an applicant who has been denied a license challenging the denial of the license.

(Added by Stats. 1982, Ch. 298, Sec. 1.)

54956.75. (a) Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

(b) After the public release of an audit report by the Bureau of State Audits, if a legislative body of a local agency meets to discuss the audit report, it shall do so in an open session unless exempted from that requirement by some other provision of law.

(Added by Stats. 2004, Ch. 576, Sec. 4. Effective January 1, 2005.)

54956.8. Notwithstanding any other provision of this chapter, a legislative body of a local agency may hold a closed session with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the local agency to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its negotiators, the real property or real properties which the negotiations may concern, and the person or persons with whom its negotiators may negotiate.

For purposes of this section, negotiators may be members of the legislative body of the local agency.

For purposes of this section, "lease" includes renewal or renegotiation of a lease.

Nothing in this section shall preclude a local agency from holding a closed session for discussions regarding eminent domain proceedings pursuant to Section 54956.9.

(Amended by Stats. 1998, Ch. 260, Sec. 3. Effective January 1, 1999.)

54956.81. Notwithstanding any other provision of this chapter, a legislative body of a local agency that invests pension funds may hold a closed session to consider the purchase or sale of particular, specific pension fund investments. All investment transaction decisions made during the closed session shall be made by rollcall vote entered into the minutes of the closed session as provided in subdivision (a) of Section 54957.2.

(Added by Stats. 2004, Ch. 533, Sec. 20. Effective January 1, 2005.)

54956.86. Notwithstanding any other provision of this chapter, a legislative body of a local agency which provides services pursuant to Section 14087.3 of the Welfare and Institutions Code may hold a closed session to hear a charge or complaint from a member enrolled in its health plan if the member does not wish to have his or her name, medical status, or other information that is protected by federal law publicly disclosed. Prior to holding a closed session pursuant to this section, the legislative body shall inform the member, in writing, of his or her right to have the charge or complaint heard in an open session rather than a closed session.

(Added by Stats. 1996, Ch. 182, Sec. 2. Effective January 1, 1997.)

54956.87. (a) Notwithstanding any other provision of this chapter, the records of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors, whether paper records, records maintained in the management information system, or records in any other form, that relate to provider rate or payment determinations, allocation or distribution methodologies for provider payments, formulas or calculations for these payments, and contract negotiations with providers of health care for alternative rates are exempt from disclosure for a period of three years after the contract is fully executed. The transmission of the records, or the information contained therein in an alternative form, to the board of supervisors shall not constitute a waiver of exemption from disclosure, and the records and information once transmitted to the board of supervisors shall be subject to this same exemption.

(b) Notwithstanding any other provision of law, the governing board of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors may order that a meeting held solely for the purpose of discussion or taking action on health plan trade secrets, as defined in subdivision (f), shall be held in closed session. The requirements of making a public report of action taken in closed session, and the vote or abstention of every member present, may be limited to a brief general description without the information constituting the trade secret.

(c) Notwithstanding any other provision of law, the governing board of a health plan may meet in closed session to consider and take action on matters pertaining to contracts and contract negotiations by the health plan with providers of health care services concerning all matters related to rates of payment. The governing board may delete the portion or portions containing trade secrets from any documents that were finally approved in the closed session held pursuant to subdivision (b) that are provided to persons who have made the timely or standing request.

(d) Nothing in this section shall be construed as preventing the governing board from meeting in closed session as otherwise provided by law.

(e) The provisions of this section shall not prevent access to any records by the Joint Legislative Audit Committee in the exercise of its powers pursuant to Article 1 (commencing with Section 10500) of Chapter 4 of Part 2 of Division 2 of Title 2. The provisions of this section also shall not prevent access to any records by the Department of Managed Health Care in the exercise of its powers pursuant to Article 1 (commencing with Section 1340) of Chapter 2.2 of Division 2 of the Health and Safety Code.

(f) For purposes of this section, "health plan trade secret" means a trade secret, as defined in subdivision (d) of Section 3426.1 of the Civil Code, that also meets both of the following criteria:

(1) The secrecy of the information is necessary for the health plan to initiate a new service, program, marketing strategy, business plan, or technology, or to add a benefit or product.

(2) Premature disclosure of the trade secret would create a substantial probability of depriving the health plan of a substantial economic benefit or opportunity.

(Amended by Stats. 2015, Ch. 190, Sec. 65. (AB 1517) Effective January 1, 2016.)

54956.9. (a) Nothing in this chapter shall be construed to prevent a legislative body of a local agency, based on advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the local agency in the litigation.

(b) For purposes of this chapter, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this chapter.

(c) For purposes of this section, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(d) For purposes of this section, litigation shall be considered pending when any of the following circumstances exist:

(1) Litigation, to which the local agency is a party, has been initiated formally.

(2) A point has been reached where, in the opinion of the legislative body of the local agency on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the local agency.

(3) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (2).

(4) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation.

(e) For purposes of paragraphs (2) and (3) of subdivision (d), "existing facts and circumstances" shall consist only of one of the following:

(1) Facts and circumstances that might result in litigation against the local agency but which the local agency believes are not yet known to a potential plaintiff or plaintiffs, which facts and circumstances need not be disclosed.

(2) Facts and circumstances, including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the agency and that are known to a potential plaintiff or plaintiffs, which facts or circumstances shall be publicly stated on the agenda or announced.

(3) The receipt of a claim pursuant to the Government Claims Act (Division 3.6 (commencing with Section 810) of Title 1 of the Government Code) or some other written communication from a potential plaintiff threatening litigation, which claim or communication shall be available for public inspection pursuant to Section 54957.5.

(4) A statement made by a person in an open and public meeting threatening litigation on a specific matter within the responsibility of the legislative body.

(5) A statement threatening litigation made by a person outside an open and public meeting on a specific matter within the responsibility of the legislative body so long as the official or employee of the local agency receiving knowledge of the threat makes a contemporaneous or other record of the statement prior to the meeting, which

record shall be available for public inspection pursuant to Section 54957.5. The records so created need not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on their behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed.

(f) Nothing in this section shall require disclosure of written communications that are privileged and not subject to disclosure pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1).

(g) Prior to holding a closed session pursuant to this section, the legislative body of the local agency shall state on the agenda or publicly announce the paragraph of subdivision (d) that authorizes the closed session. If the session is closed pursuant to paragraph (1) of subdivision (d), the body shall state the title of or otherwise specifically identify the litigation to be discussed, unless the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(h) A local agency shall be considered to be a "party" or to have a "significant exposure to litigation" if an officer or employee of the local agency is a party or has significant exposure to litigation concerning prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation in which it is an issue whether an activity is outside the course and scope of the office or employment.

(Amended by Stats. 2021, Ch. 615, Sec. 206. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54956.95. (a) Nothing in this chapter shall be construed to prevent a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, for purposes of insurance pooling, or a local agency member of the joint powers agency, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the joint powers agency or a local agency member of the joint powers agency.

(b) Nothing in this chapter shall be construed to prevent the Local Agency Self-Insurance Authority formed pursuant to Chapter 5.5 (commencing with Section 6599.01) of Division 7 of Title 1, or a local agency member of the authority, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the authority or a local agency member of the authority.

(c) Nothing in this section shall be construed to affect Section 54956.9 with respect to any other local agency.

(Added by Stats. 1989, Ch. 882, Sec. 3.)

54956.96. (a) Nothing in this chapter shall be construed to prevent the legislative body of a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, from adopting a policy or a bylaw or including in its joint powers agreement provisions that authorize either or both of the following:

(1) All information received by the legislative body of the local agency member in a closed session related to the information presented to the joint powers agency in closed session shall be confidential. However, a member of the legislative body of a local agency member may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(B) Other members of the legislative body of the local agency present in a closed session of that local agency member.

(2) Any designated alternate member of the legislative body of the joint powers agency who is also a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the joint powers agency in lieu of a local agency member's regularly appointed member to attend closed sessions of the joint powers agency.

(b) (1) In addition to the authority described in subdivision (a), the Clean Power Alliance of Southern California, or its successor entity, may adopt a policy or a bylaw or include in its joint powers agreement a provision that authorizes both of the following:

(A) A designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member and who is

attending a properly noticed meeting of the Clean Power Alliance of Southern California, or its successor entity, in lieu of a local agency member's regularly appointed member, to attend closed sessions of the Clean Power Alliance of Southern California, or its successor entity.

(B) All information that is received by a designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member, and that is presented to the Clean Power Alliance of Southern California, or its successor entity, in closed session, shall be confidential. However, the designated alternate member may disclose information obtained in a closed session that has direct financial or liability implications for the local agency member for which the designated alternate member attended the closed session, to the following individuals:

(i) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(ii) Members of the legislative body of the local agency present in a closed session of that local agency member.

(2) If the Clean Power Alliance of Southern California, or its successor entity, adopts a policy or bylaw or includes in its joint powers agreement a provision authorized pursuant to paragraph (1), the Clean Power Alliance of Southern California, or its successor entity, shall establish policies to prevent conflicts of interest and to address breaches of confidentiality that apply to a designated alternate member who is not a member of the legislative body of a local agency member who attends a closed session of the Clean Power Alliance of Southern California, or its successor entity.

(c) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a) or (b), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a) or paragraph (1) of subdivision (b).

(d) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

(Amended (as amended by Stats. 2019, Ch. 248, Sec. 1) by Stats. 2024, Ch. 24, Sec. 1. (AB 1852) Effective January 1, 2025. Repealed as of January 1, 2030, by its own provisions. See later operative version, as amended by Sec. 2 of Stats. 2024, Ch. 24.)

(1) All information received by the legislative body of the local agency member in a closed session related to the information presented to the joint powers agency in closed session shall be confidential. However, a member of the legislative body of a local agency member may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(B) Other members of the legislative body of the local agency present in a closed session of that local agency member.

(2) A designated alternate member of the legislative body of the joint powers agency who is also a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the joint powers agency in lieu of a local agency member's regularly appointed member to attend closed sessions of the joint powers agency.

(b) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a).

(c) This section shall become operative on January 1, 2030.

(Amended (as added by Stats. 2019, Ch. 248, Sec. 2) by Stats. 2024, Ch. 24, Sec. 2. (AB 1852) Effective January 1, 2025. Section operative January 1, 2030, by its own provisions.)

54956.97. Notwithstanding any provision of law, the governing board, or a committee of the governing board, of a public bank, as defined in Section 57600 of the Government Code, may meet in closed session to consider and take action on matters pertaining to all of the following:

- (a) A loan or investment decision.
- (b) A decision of the internal audit committee, the compliance committee, or the governance committee.
- (c) A meeting with a state or federal regulator.

(Added by Stats. 2019, Ch. 442, Sec. 14. (AB 857) Effective January 1, 2020.)

54956.98. (a) For purposes of this section, the following definitions shall apply:

(1) "Shareholder, member, or owner local agency" or "shareholder, member, or owner" means a local agency that is a shareholder of a public bank.

(2) "Public bank" has the same meaning as defined in Section 57600.

(b) The governing board of a public bank may adopt a policy or a bylaw or include in its governing documents provisions that authorize any of the following:

(1) All information received by a shareholder, member, or owner of the public bank in a closed session related to the information presented to the governing board of a public bank in closed session shall be confidential. However, a member of the governing board of a shareholder, member, or owner local agency may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that shareholder, member, or owner local agency for purposes of obtaining advice on whether the matter has direct financial or liability implications for that shareholder local agency.

(c) If the governing board of a public bank adopts a policy or a bylaw or includes provisions in its governing documents pursuant to subdivision (b), then the governing board of the shareholder, member, or owner local agency, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the public bank governing board pursuant to paragraph (1) of subdivision (b).

(Added by Stats. 2019, Ch. 442, Sec. 15. (AB 857) Effective January 1, 2020.)

54957. (a) (1) This chapter does not prevent the legislative body of a local agency from holding closed sessions with the Governor, Attorney General, district attorney, agency counsel, sheriff, or chief of police, or other law enforcement or security personnel, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings, a threat to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service, a threat to the public's right of access to public services or public facilities, or a threat to critical infrastructure controls or critical infrastructure information relating to cybersecurity.

(2) For purposes of this subdivision, the following definitions apply:

(A) "Critical infrastructure controls" means networks and systems controlling assets so vital to the local agency that the incapacity or destruction of those networks, systems, or assets would have a debilitating impact on public health, safety, economic security, or any combination thereof.

(B) "Critical infrastructure information" means information not customarily in the public domain pertaining to any of the following:

(i) Actual, potential, or threatened interference with, or an attack on, compromise of, or incapacitation of critical infrastructure controls by either physical or computer-based attack or other similar conduct, including, but not limited to, the misuse of, or unauthorized access to, all types of communications and data transmission systems, that violates federal, state, or local law or harms public health, safety, or economic security, or any combination thereof.

(ii) The ability of critical infrastructure controls to resist any interference, compromise, or incapacitation, including, but not limited to, any planned or past assessment or estimate of the vulnerability of critical infrastructure.

(iii) Any planned or past operational problem or solution regarding critical infrastructure controls, including, but not limited to, repair, recovery, reconstruction, insurance, or continuity, to the extent it is related to interference, compromise, or incapacitation of critical infrastructure controls.

(b) (1) Subject to paragraph (2), this chapter does not prevent the legislative body of a local agency from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, discipline, or dismissal of a public employee or to hear complaints or charges brought against the employee by another person or employee unless the employee requests a public session.

(2) As a condition to holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of their right to have the complaints or charges heard in an open session rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding the session. If notice is not given, any disciplinary or other action taken by the legislative body against the employee based on the specific complaints or charges in the closed session shall be null and void.

(3) The legislative body also may exclude from the public or closed meeting, during the examination of a witness, any or all other witnesses in the matter being investigated by the legislative body.

(4) For the purposes of this subdivision, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee but shall not include any elected official, member of a legislative body or other independent contractors. This subdivision shall not limit local officials' ability to hold closed session meetings pursuant to Sections 1461, 32106, and 32155 of the Health and Safety Code or Sections 37606 and 37624.3 of the Government Code. Closed sessions held pursuant to this subdivision shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline.

(Amended by Stats. 2024, Ch. 243, Sec. 1. (AB 2715) Effective January 1, 2025.)

54957.1. (a) The legislative body of any local agency shall publicly report any action taken in closed session and the vote or abstention on that action of every member present, as follows:

(1) Approval of an agreement concluding real estate negotiations pursuant to Section 54956.8 shall be reported after the agreement is final, as follows:

(A) If its own approval renders the agreement final, the body shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with the other party to the negotiations, the local agency shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the local agency of its approval.

(2) Approval given to its legal counsel to defend, or seek or refrain from seeking appellate review or relief, or to enter as an amicus curiae in any form of litigation as the result of a consultation under Section 54956.9 shall be reported in open session at the public meeting during which the closed session is held. The report shall identify, if known, the adverse party or parties and the substance of the litigation. In the case of approval given to initiate or intervene in an action, the announcement need not identify the action, the defendants, or other particulars, but shall specify that the direction to initiate or intervene in an action has been given and that the action, the defendants, and the other particulars shall, once formally commenced, be disclosed to any person upon inquiry, unless to do so would jeopardize the agency's ability to effectuate service of process on one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(3) Approval given to its legal counsel of a settlement of pending litigation, as defined in Section 54956.9, at any stage prior to or during a judicial or quasi-judicial proceeding shall be reported after the settlement is final, as follows:

(A) If the legislative body accepts a settlement offer signed by the opposing party, the body shall report its acceptance and identify the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with some other party to the litigation or with the court, then as soon as the settlement becomes final, and upon inquiry by any person, the local agency shall disclose the fact of that approval, and identify the substance of the agreement.

(4) Disposition reached as to claims discussed in closed session pursuant to Section 54956.95 shall be reported as soon as reached in a manner that identifies the name of the claimant, the name of the local agency claimed against, the substance of the claim, and any monetary amount approved for payment and agreed upon by the claimant.

(5) Action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a public employee in closed session pursuant to Section 54957 shall be reported at the public meeting during which the closed session is held. Any report required by this paragraph shall identify the title of the position. The general requirement of this paragraph notwithstanding, the report of a dismissal or of the nonrenewal of an employment contract shall be deferred until the first public meeting following the exhaustion of administrative remedies, if any.

(6) Approval of an agreement concluding labor negotiations with represented employees pursuant to Section 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. The report shall identify the item approved and the other party or parties to the negotiation.

(7) Pension fund investment transaction decisions made pursuant to Section 54956.81 shall be disclosed at the first open meeting of the legislative body held after the earlier of the close of the investment transaction or the transfer of pension fund assets for the investment transaction.

(b) Reports that are required to be made pursuant to this section may be made orally or in writing. The legislative body shall provide to any person who has submitted a written request to the legislative body within 24 hours of the posting of the agenda, or to any person who has made a standing request for all documentation as part of a request for notice of meetings pursuant to Section 54954.1 or 54956, if the requester is present at the time the closed session ends, copies of any contracts, settlement agreements, or other documents that were finally approved or adopted in the closed session. If the action taken results in one or more substantive amendments to the related documents requiring retyping, the documents need not be released until the retyping is completed during normal business hours, provided that the presiding officer of the legislative body or his or her designee orally summarizes the substance of the amendments for the benefit of the document requester or any other person present and requesting the information.

(c) The documentation referred to in subdivision (b) shall be available to any person on the next business day following the meeting in which the action referred to is taken or, in the case of substantial amendments, when any necessary retyping is complete.

(d) Nothing in this section shall be construed to require that the legislative body approve actions not otherwise subject to legislative body approval.

(e) No action for injury to a reputational, liberty, or other personal interest may be commenced by or on behalf of any employee or former employee with respect to whom a disclosure is made by a legislative body in an effort to comply with this section.

(f) This section is necessary to implement, and reasonably within the scope of, paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(Amended by Stats. 2006, Ch. 538, Sec. 311. Effective January 1, 2007.)

54957.2. (a) The legislative body of a local agency may, by ordinance or resolution, designate a clerk or other officer or employee of the local agency who shall then attend each closed session of the legislative body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be kept confidential. The minute book shall be available only to members of the legislative body or, if a violation of this chapter is alleged to have occurred at a

closed session, to a court of general jurisdiction wherein the local agency lies. The minute book may, but need not, consist of a recording of the closed session.

(b) An elected legislative body of a local agency may require that each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body keep a minute book as prescribed under subdivision (a).

(Amended by Stats. 2021, Ch. 615, Sec. 207. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54957.5. (a) Agendas of public meetings are disclosable public records under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be made available upon request without delay and in compliance with Section 54954.2 or Section 54956, as applicable. However, this section shall not apply to a writing, or portion thereof, that is exempt from public disclosure.

(b) (1) If a writing is a public record related to an agenda item for an open session of a regular meeting of the legislative body of a local agency and is distributed to all, or a majority of all, of the members of a legislative body of a local agency by a person in connection with a matter subject to discussion or consideration at an open meeting of the body less than 72 hours before that meeting, the writing shall be made available for public inspection pursuant to paragraph (2) at the time the writing is distributed to all, or a majority of all, of the members of the body.

(2) (A) Except as provided in subparagraph (B), a local agency shall comply with both of the following requirements:

(i) A local agency shall make any writing described in paragraph (1) available for public inspection at a public office or location that the agency shall designate for this purpose.

(ii) A local agency shall list the address of the office or location designated pursuant to clause (i) on the agendas for all meetings of the legislative body of that agency.

(B) A local agency shall not be required to comply with the requirements of subparagraph (A) if all of the following requirements are met:

(i) An initial staff report or similar document containing an executive summary and the staff recommendation, if any, relating to that agenda item is made available for public inspection at the office or location designated pursuant to clause (i) of subparagraph (A) at least 72 hours before the meeting.

(ii) The local agency immediately posts any writing described in paragraph (1) on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

(iii) The local agency lists the web address of the local agency's internet website on the agendas for all meetings of the legislative body of that agency.

(iv) (I) Subject to subclause (II), the local agency makes physical copies available for public inspection, beginning the next regular business hours for the local agency, at the office or location designated pursuant to clause (i) of subparagraph (A).

(II) This clause is satisfied only if the next regular business hours of the local agency commence at least 24 hours before that meeting.

(c) Writings that are public records described in subdivision (b) and distributed during a public meeting shall be made available for public inspection at the meeting if prepared by the local agency or a member of its legislative body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats upon request by a person with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(d) This chapter shall not be construed to prevent the legislative body of a local agency from charging a fee or deposit for a copy of a public record pursuant to Section 7922.530, except that a surcharge shall not be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(e) This section shall not be construed to limit or delay the public's right to inspect or obtain a copy of any record required to be disclosed under the requirements of the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), including, but not limited to, the ability of the public to inspect public records pursuant to Section 7922.525 and obtain copies of public records pursuant to either subdivision (b) of Section 7922.530 or Section 7922.535. This chapter shall not be construed to require a legislative body of a local agency to place any paid advertisement or any other paid notice in any publication.

(Amended (as amended by Stats. 2021, Ch. 615, Sec. 208) by Stats. 2022, Ch. 971, Sec. 1. (AB 2647) Effective January 1, 2023.)

54957.6. (a) Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions with the local agency's designated representatives regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation, subject to all of the following conditions:

(1) Prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its designated representatives.

(2) The closed session shall be for the purpose of reviewing its position and instructing the local agency's designated representatives.

(3) The closed session may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees.

(4) Any closed session with the local agency's designated representative regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussion of an agency's available funds and funding priorities, but only insofar as these discussions relate to providing instructions to the local agency's designated representative.

(5) The closed session shall not include final action on the proposed compensation of one or more unrepresented employees.

(6) For the purposes enumerated in this section, a legislative body of a local agency may also meet with a state conciliator who has intervened in the proceedings.

(b) For the purposes of this section, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee, but shall not include any elected official, member of a legislative body, or other independent contractors.

(Amended by Stats. 2025, Ch. 327, Sec. 20. (SB 707) Effective January 1, 2026.)

54957.7. (a) Prior to holding any closed session, the legislative body of the local agency shall disclose, in an open meeting, the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. In the closed session, the legislative body may consider only those matters covered in its statement. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal law.

(b) After any closed session, the legislative body shall reconvene into open session prior to adjournment and shall make any disclosures required by Section 54957.1 of action taken in the closed session.

(c) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcements.

(Amended by Stats. 1993, Ch. 1137, Sec. 15. Effective January 1, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 1137.)

54957.8. (a) For purposes of this section, "multijurisdictional law enforcement agency" means a joint powers entity formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 that provides law enforcement services for the parties to the joint powers agreement for the purpose of investigating criminal activity involving drugs; gangs; sex crimes; firearms trafficking or felony possession of a firearm; high technology, computer, or identity theft; human trafficking; or vehicle theft.

(b) Nothing contained in this chapter shall be construed to prevent the legislative body of a multijurisdictional law enforcement agency, or an advisory body of a multijurisdictional law enforcement agency, from holding closed sessions to discuss the case records of any ongoing criminal investigation of the multijurisdictional law enforcement agency or of any party to the joint powers agreement, to hear testimony from persons involved in the investigation, and to discuss courses of action in particular cases.

(Amended by Stats. 2006, Ch. 427, Sec. 1. Effective September 22, 2006.)

54957.9. In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting.

(Amended by Stats. 2025, Ch. 327, Sec. 21. (SB 707) Effective January 1, 2026.)

54957.95. (a) (1) In addition to authority exercised pursuant to Sections 54954.3 and 54957.9, the presiding member of the legislative body conducting a meeting or their designee may remove, or cause the removal of, an individual for disrupting the meeting, including any teleconferenced meeting.

(2) Prior to removing an individual, the presiding member or their designee shall warn the individual that their behavior is disrupting the meeting and that their failure to cease their behavior may result in their removal. The presiding member or their designee may then remove the individual if they do not promptly cease their disruptive behavior. This paragraph does not apply to any behavior described in subparagraph (B) of paragraph (1) of subdivision (b).

(b) As used in this section:

(1) "Disrupting" means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, one of the following:

(A) A failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law.

(B) Engaging in behavior that constitutes use of force or a true threat of force.

(2) "True threat of force" means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat.

(Amended by Stats. 2025, Ch. 327, Sec. 22. (SB 707) Effective January 1, 2026.)

54957.96. (a) The existing authority of a legislative body or its presiding officer to remove or limit participation by persons who engage in behavior that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting, including existing limitations upon that authority, shall apply to members of the public participating in a meeting via a two-way telephonic service or a two-way audiovisual platform.

(b) For purposes of this section, the following definitions apply:

(1) "Two-way audiovisual platform" means an online platform that provides participants with the ability to participate in a meeting via both an interactive video conference and a two-way telephonic service. A two-way audiovisual platform may be structured to disable the use of video for the public participants.

(2) "Two-way telephonic service" means a telephone service that does not require internet access and allows participants to dial a telephone number to listen and verbally participate.

(Added by Stats. 2025, Ch. 327, Sec. 23. (SB 707) Effective January 1, 2026.)

54957.10. Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions to discuss a local agency employee's application for early withdrawal of funds in a deferred compensation plan when

the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan.

(Added by Stats. 2001, Ch. 45, Sec. 1. Effective January 1, 2002.)

54958. The provisions of this chapter shall apply to the legislative body of every local agency notwithstanding the conflicting provisions of any other state law.

(Added by Stats. 1953, Ch. 1588.)

54959. Each member of a legislative body who attends a meeting of that legislative body where action is taken in violation of any provision of this chapter, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this chapter, is guilty of a misdemeanor.

(Amended by Stats. 1994, Ch. 32, Sec. 18. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54960. (a) The district attorney or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this chapter by members of the legislative body of a local agency or to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body, or to determine the applicability of this chapter to past actions of the legislative body, subject to Section 54960.2, or to determine whether any rule or action by the legislative body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the legislative body to audio record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 54956.7, 54956.8, 54956.9, 54956.95, 54957, or 54957.6, order the legislative body to audio record its closed sessions and preserve the audio recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The audio recordings shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the audio recording is sought by either the district attorney or the plaintiff in a civil action pursuant to Section 54959, 54960, or 54960.1 alleging that a violation of this chapter has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the audio recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the date and time of the meeting recorded, and the governmental agency that has custody and control of the recording.

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this chapter, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) This section shall not permit discovery of communications that are protected by the attorney-client privilege.

(Amended by Stats. 2012, Ch. 732, Sec. 1. (SB 1003) Effective January 1, 2013.)

54960.1. (a) The district attorney or any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that an action taken by a legislative body of a local agency in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the district attorney or interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5. The demand shall be in writing and clearly describe the challenged action of the legislative body and nature of the alleged violation.

(c) (1) The written demand shall be made within 90 days from the date the action was taken unless the action was taken in an open session but in violation of Section 54954.2, in which case the written demand shall be made within 30 days from the date the action was taken.

(2) Within 30 days of receipt of the demand, the legislative body shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct or inform the demanding party in writing of its decision not to cure or correct the challenged action.

(3) If the legislative body takes no action within the 30-day period, the inaction shall be deemed a decision not to cure or correct the challenged action, and the 15-day period to commence the action described in subdivision (a) shall commence to run the day after the 30-day period to cure or correct expires.

(4) Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, or not to cure or correct, or within 15 days of the expiration of the 30-day period to cure or correct, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(d) An action taken that is alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in substantial compliance with Sections 54953, 54954.2, 54954.5, 54954.6, 54956, and 54956.5.

(2) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement thereto.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid other than compensation for services in the form of salary or fees for professional services, upon which a party has, in good faith and without notice of a challenge to the validity of the action, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

(5) Any person, city, city and county, county, district, or any agency or subdivision of the state alleging noncompliance with subdivision (a) of Section 54954.2, Section 54956, or Section 54956.5, because of any defect, error, irregularity, or omission in the notice given pursuant to those provisions, had actual notice of the item of business at least 72 hours prior to the meeting at which the action was taken, if the meeting was noticed pursuant to Section 54954.2, or 24 hours prior to the meeting at which the action was taken if the meeting was noticed pursuant to Section 54956, or prior to the meeting at which the action was taken if the meeting is held pursuant to Section 54956.5.

(e) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 has been cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

(f) The fact that a legislative body takes a subsequent action to cure or correct an action taken pursuant to this section shall not be construed or admissible as evidence of a violation of this chapter.

(Amended by Stats. 2002, Ch. 454, Sec. 23. Effective January 1, 2003.)

54960.2. (a) The district attorney or any interested person may file an action to determine the applicability of this chapter to past actions of the legislative body pursuant to subdivision (a) of Section 54960 only if all of the following conditions are met:

(1) The district attorney or interested person alleging a violation of this chapter first submits a cease and desist letter by postal mail or facsimile transmission to the clerk or secretary of the legislative body being accused of the violation, as designated in the statement pertaining to that public agency on file pursuant to Section 53051, or if the agency does not have a statement on file designating a clerk or a secretary, to the chief executive officer of that agency, clearly describing the past action of the legislative body and nature of the alleged violation.

(2) The cease and desist letter required under paragraph (1) is submitted to the legislative body within nine months of the alleged violation.

(3) The time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b) has expired and the legislative body has not provided an unconditional commitment pursuant to subdivision (c).

(4) Within 60 days of receipt of the legislative body's response to the cease and desist letter, other than an unconditional commitment pursuant to subdivision (c), or within 60 days of the expiration of the time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b), whichever is earlier, the party submitting the cease and desist letter shall commence the action pursuant to subdivision (a) of Section 54960 or thereafter be barred from commencing the action.

(b) The legislative body may respond to a cease and desist letter submitted pursuant to subdivision (a) within 30 days of receiving the letter. This subdivision shall not be construed to prevent the legislative body from providing an unconditional commitment pursuant to subdivision (c) at any time after the 30-day period has expired, except that in that event the court shall award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to this section, in accordance with Section 54960.5.

(c) (1) If the legislative body elects to respond to the cease and desist letter with an unconditional commitment to cease, desist from, and not repeat the past action that is alleged to violate this chapter, that response shall be in substantially the following form:

To _____:

The [name of legislative body] has received your cease and desist letter dated [date] alleging that the following described past action of the legislative body violates the Ralph M. Brown Act:

[Describe alleged past action, as set forth in the cease and desist letter submitted pursuant to subdivision (a)]

In order to avoid unnecessary litigation and without admitting any violation of the Ralph M. Brown Act, the [name of legislative body] hereby unconditionally commits that it will cease, desist from, and not repeat the challenged past action as described above.

The [name of legislative body] may rescind this commitment only by a majority vote of its membership taken in open session at a regular meeting and noticed on its posted agenda as "Rescission of Brown Act Commitment." You will be provided with written notice, sent by any means or media you provide in response to this message, to whatever address or addresses you specify, of any intention to consider rescinding this commitment at least 30 days before any such regular meeting. In the event that this commitment is rescinded, you will have the right to commence legal action pursuant to subdivision (a) of Section 54960 of the Government Code. That notice will be delivered to you by the same means as this commitment, or may be mailed to an address that you have designated in writing.

Very truly yours,

[Chairperson or acting chairperson of the legislative body]

(2) An unconditional commitment pursuant to this subdivision shall be approved by the legislative body in open session at a regular or special meeting as a separate item of business, and not on its consent agenda.

(3) An action shall not be commenced to determine the applicability of this chapter to any past action of the legislative body for which the legislative body has provided an unconditional commitment pursuant to this subdivision. During any action seeking a judicial determination regarding the applicability of this chapter to any past action of the legislative body pursuant to subdivision (a), if the court determines that the legislative body has provided an unconditional commitment pursuant to this subdivision, the action shall be dismissed with prejudice. Nothing in this subdivision shall be construed to modify or limit the existing ability of the district attorney or any interested person to commence an action to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body.

(4) Except as provided in subdivision (d), the fact that a legislative body provides an unconditional commitment shall not be construed or admissible as evidence of a violation of this chapter.

(d) If the legislative body provides an unconditional commitment as set forth in subdivision (c), the legislative body shall not thereafter take or engage in the challenged action described in the cease and desist letter, except as provided in subdivision (e). Violation of this subdivision shall constitute an independent violation of this chapter, without regard to whether the challenged action would otherwise violate this chapter. An action alleging past violation or threatened future violation of this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(e) The legislative body may resolve to rescind an unconditional commitment made pursuant to subdivision (c) by a majority vote of its membership taken in open session at a regular meeting as a separate item of business not on its consent agenda, and noticed on its posted agenda as "Rescission of Brown Act Commitment," provided that not less than 30 days prior to such regular meeting, the legislative body provides written notice of its intent to consider the rescission to each person to whom the unconditional commitment was made, and to the district attorney. Upon rescission, the district attorney or any interested person may commence an action pursuant to subdivision (a) of Section 54960. An action under this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(Added by Stats. 2012, Ch. 732, Sec. 2. (SB 1003) Effective January 1, 2013.)

54960.5. A court may award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to Section 54960, 54960.1, or 54960.2 where it is found that a legislative body of the local agency has violated this chapter. Additionally, when an action brought pursuant to Section 54960.2 is dismissed with prejudice because a legislative body has provided an unconditional commitment pursuant to paragraph (1) of subdivision (c) of that section at any time after the 30-day period for making such a commitment has expired, the court shall award court costs and reasonable attorney fees to the plaintiff if the filing of that action caused the legislative body to issue the unconditional commitment. The costs and fees shall be paid by the local agency and shall not become a personal liability of any public officer or employee of the local agency.

A court may award court costs and reasonable attorney fees to a defendant in any action brought pursuant to Section 54960 or 54960.1 where the defendant has prevailed in a final determination of such action and the court finds that the action was clearly frivolous and totally lacking in merit.

(Amended by Stats. 2012, Ch. 732, Sec. 3. (SB 1003) Effective January 1, 2013.)

54961. (a) No legislative body of a local agency shall conduct any meeting in any facility that prohibits the admittance of any person, or persons, on the basis of ancestry or any characteristic listed or defined in Section 11135, or which is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. This section shall apply to every local agency as defined in Section 54951.

(b) No notice, agenda, announcement, or report required under this chapter need identify any victim or alleged victim of tortious sexual conduct or child abuse unless the identity of the person has been publicly disclosed.

(Amended by Stats. 2007, Ch. 568, Sec. 35. Effective January 1, 2008.)

54962. (1) Making a confidential inquiry or complaint to a district attorney or grand jury concerning a perceived violation of law, including disclosing facts to a district attorney or grand jury that are necessary to establish the illegality of an action taken by a legislative body of a local agency or the potential illegality of an action that has been the subject of deliberation at a closed session if that action were to be taken by a legislative body of a local agency.

(2) Expressing an opinion concerning the propriety or legality of actions taken by a legislative body of a local agency in closed session, including disclosure of the nature and extent of the illegal or potentially illegal action.

(3) Disclosing information acquired by being present in a closed session under this chapter that is not confidential information.

(f) Nothing in this section shall be construed to prohibit disclosures under the whistleblower statutes contained in Section 1102.5 of the Labor Code or Article 4.5 (commencing with Section 53296) of Chapter 2 of this code.

A GUIDE TO UNDERSTANDING CALIFORNIA'S OPEN MEETING LAWS

Introduction

The Ralph M. Brown Act (“Brown Act”)¹ was enacted in 1953 in response to a series of articles in the San Francisco Chronicle detailing the way local agencies at the time conducted secret meetings or caucuses even though state law had long required that local agencies conduct business publicly. The purpose behind the Brown Act, as originally adopted and as it remains today, is to ensure that actions of local public agencies—including their deliberations, are taken in open and public meetings, with posted agendas, and where all persons are permitted to attend and participate.

“In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people’s business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.”³

This manual provides special districts² with guidelines and tips for complying with the various meeting agenda, notice, public participation, and public reporting requirements of the Brown Act. Districts are permitted to and should consider adopting local policies that exceed the minimum requirements of the Brown Act in terms of providing greater public access and openness to district business.

This manual provides special districts with guidelines and tips for complying with the various meeting agenda, notice, public participation, and public reporting requirements of the Brown Act.

The purpose behind the Brown Act is to ensure that actions of local public agencies – including their deliberations - are taken in open and public meetings, with posted agendas, and where all persons are permitted to attend and participate. Courts construe the Brown Act liberally, in favor of openness and narrowly construe its limited exemptions.

The Brown Act and incorporated provisions of the Americans with Disabilities Act not only guarantee the public's right to attend and participate in open and public meetings but ensure that the meetings will actually be accessible to all members of the public. Violations of the Brown Act can result in the action taken being invalidated and the award of attorney's fees and costs if there is a successful legal action against a public agency. Certain intentional violations can result in criminal prosecution. And regardless of the nature of the violation, the mere fact that the public perceives that an agency is improperly conducting business behind closed doors can indelibly damage the public's trust in local government.

This manual provides special districts with guidelines and tips for complying with the various meeting agenda, notice, public participation, and public reporting requirements of the Brown Act. The manual also includes guidance on how members of a legislative body may engage with the public on social media platforms and details on how to permit remote participation in a Brown Act compliant teleconference meeting.

This manual is not intended to provide legal advice on any specific issue.

This manual is not intended to provide legal advice on any specific issue. Because the statutory and case law summarized in this manual is subject to change, district staff and officials should always seek the advice of agency legal counsel as to the application of the Brown Act in a particular situation and to ascertain whether there have been recent changes to the Brown Act or its interpretation by the courts.

Purpose and Basic Rule

The purpose of the Brown Act is elegantly stated in the opening declaration:

“In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people’s business.”

It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.³

The Brown Act’s basic and unchanged rule provides:

“All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body.”⁴

As summarized by one court: “It is clearly the policy of this state that the proceedings of public agencies, and the conduct of the people’s business, [must] take place at open meetings, and that the deliberative process by which decisions related to the public’s business are made [must] be conducted in full view of the public.” Thus, except for certain closed session items, all aspects of the decision-making process by legislative bodies—including the acquisition of information, discussion and debate—must be conducted in public.

II. District Legislative Bodies and Other Groups Covered and Not Covered

The Brown Act only applies to a district “legislative body” as defined in Section 54952. Therefore, understanding the scope of that term is the critical first step in determining whether the Brown Act applies to a particular district body or group.

What bodies are considered a “legislative body” subject to the Brown Act?

1. **The Governing Body** of a district (i.e., the board of directors) is considered a “legislative body” subject to the Brown Act.⁶

Note: The Brown Act also applies to persons elected to serve on a legislative body covered by the Brown Act but who have not yet assumed the duties of office.⁷

2. **Standing committees** of a legislative body, regardless of their composition (i.e., including less than a quorum of the legislative body), that have either (a) continuing subject matter jurisdiction or (b) a meeting schedule fixed by formal action of a legislative body are subject to the Brown Act.⁸
3. **Appointed bodies**, whether permanent or temporary, decision-making or advisory, created by a formal act of the governing body are subject to the Brown Act.⁹ The “formal act” required to create a Brown Act legislative body includes any official action and is not necessarily limited to formation by a formal vote or adoption of a resolution.¹⁰
4. **Joint Powers Authority** legislative bodies of a legally separate entity established by districts under the Joint Exercise of Powers Act must comply with the Brown Act.¹¹
5. **Private organizations and other separate entities.** The board or other governing body of a private organization, such as a nonprofit corporation, is subject to the Brown Act, if: (a) a district legislative body created or was involved in bringing the organization into existence to exercise lawfully delegated authority, or (b) if both of the following requirements are met: (i) the organization receives funds from the

district and (ii) a member has been appointed as a full voting member of such board by the district's legislative body.^{12, 13}

What district bodies or groups are not considered a "legislative body" subject to the Brown Act?

1. **A temporary advisory committee** (often referred to as an **ad hoc committee**) composed solely of less than a quorum of the legislative body that is created for a single or limited purpose (e.g., a recruitment committee for a vacant position or a committee to investigate a particular incident or issue) that will dissolve once its task is completed is not subject to the Brown Act.
2. **Groups advisory to a single member of a legislative body** created by the informal action of the particular member to advise the member are not covered by the Brown Act.¹⁴
3. **A group appointed by district staff** (e.g., a committee to assist with a district social or community event) is not subject to the Brown Act.

Compliance Tip

Forming a true ad hoc advisory committee that is composed solely of less than a quorum of the legislative body and that is not subject to the Brown Act requires careful consideration of these restrictions.

III. Meetings Covered and Exempted

The Brown Act only applies to “meetings” of district legislative bodies. Thus, it is critical to understand what meetings are covered and what gatherings are not considered a meeting.

Definition of Meeting

The Brown Act defines a “meeting” as any **congregation of a majority of the members of a legislative body at the same time and location, including a teleconference location, to hear, discuss, deliberate, or take action on any item that is within the legislative body’s subject matter jurisdiction.**¹⁵ As defined, the term “meeting” is not limited to gatherings at which action is taken but applies equally to situations where a quorum of the legislative body merely hears, discusses, or deliberates on district business. These terms have their ordinary meaning, but there is a specific definition for “action taken,” which includes:

1. a collective decision by a majority of the members of a legislative body;
2. a collective commitment, or promise by a majority of the members to make a positive or negative decision; or
3. an actual vote by a majority of the members of the legislative body sitting as a body or entity, upon a motion, proposal, resolution, order, or ordinance.¹⁶

Prohibition Against Serial Meetings

Outside of a properly noticed and conducted Brown Act meeting, a majority of the members of a legislative body may not use a series of communication of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item that is within the body’s subject matter jurisdiction.¹⁷

This type of prohibited “serial meeting” can occur in two ways:

1. Chain: If member A contacts member B, and B contacts member C, and C contacts member D, and so on, until a quorum of the legislative body has been involved.
2. Hub-and-spoke: An intermediary, such as the general manager, contacts at least a quorum of the members of the legislative body to develop a collective concurrence (or communicate each member’s respective positions) on an action to be taken by the legislative body.

Compliance Tip

The use of e-mail can easily result in a serial meeting along with a paper trail establishing a potential violation of the Brown Act.¹⁸ District legislative body members must be extremely careful with the use of e-mail, except to pass along general information. For example, members should refrain in e-mails from stating or taking a position on matters that may come before the district. Members should also refrain from giving instructions or directions to staff members unless they have clear authority to do so. One never knows where, or in how many inboxes an e-mail may end up. This tip is equally applicable to members posting comments on social media and other technological platforms.

III. Meetings Covered and Exempted (continued)

Teleconferencing Meetings

Standard Teleconferencing

Meetings may be conducted by teleconferencing (i.e., any electronic audio or video connection) under the following conditions:¹⁹

1. agendas are posted at teleconferencing locations specifying all teleconference locations;
2. public access is provided at each teleconference location;
3. public opportunity to speak is provided at each teleconference location; and
4. all votes are taken by roll call.

At least a quorum of the members of the legislative body must participate in the teleconference within the boundaries of the district.

Alternative Teleconferencing

A legislative body of a local agency may utilize teleconferencing without complying with the aforementioned requirements for 'standard teleconferencing' in any of the circumstances described in Government Code sections 54953.8.1 to 54953.8.7. However, the local agency must comply with each of the following mandatory procedures:

1. The legislative body must provide either a 1) two-way audiovisual platform or 2) a two-way telephonic service and live webcasting of the meeting.
2. Each agenda and notice for the meeting must include information for all persons to attend via a call-in option or an internet-based service option.
3. In the event of a disruption that prevents broadcasting the meeting or the receipt of public comments, the legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting is restored. (Actions taken on agenda items during a disruption that prevents the legislative body from broadcasting

Compliance Tip

Districts should consider adopting a policy on the use of teleconferencing that addresses the circumstances under which it may be appropriate to use this technology, how much advance notice must be given, and the procedures the agency must follow.

the meeting may be challenged pursuant to Section 54960.1.)

4. The public must have an opportunity to address the legislative body and offer comments in real time. In addition, the public cannot be required to submit comments in advance of the meeting.
5. The minutes of the meeting must identify any member of the legislative body who participated from a remote location as well as the specific provision of law that permitted their remote participation. Every member participating from a remote location shall publicly disclose at the meeting before any action is taken whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with those individuals.
6. The legislative body must adopt and implement a procedure for resolving requests for reasonable accommodation consistent with the federal Americans with Disabilities Act.
7. A local agency must identify a list of one or more meeting locations that may be available for use by the legislative bodies to conduct their meetings.

III. Meetings Covered and Exempted (continued)

Alternative Teleconferencing - Categories

In addition to the circumstances described below in further detail, alternative teleconferencing is permitted for use by the following, with each category having its own requirements for compliance:

- A health authority.¹²⁸
- An eligible neighborhood council.¹²⁹
- An eligible community college student organization.¹³⁰
- An eligible multijurisdictional body.¹³¹
 - “Eligible multijurisdictional body” means a multijurisdictional board, commission, or advisory body of a multijurisdictional, cross-county agency, the membership of which board, commission, or advisory body is appointed, and the board, commission, or advisory body is otherwise subject to this chapter. “Multijurisdictional” means either of the following: (A) A legislative body that includes representatives from more than one county, city, city and county, or special district, or (B) A legislative body of a joint powers entity formed pursuant to an agreement entered into in accordance with Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1.

Compliance Tip

A legislative body seeking to use alternative teleconferencing pursuant to one of these bulleted options should refer to the statute authorizing the respective provision in order to understand the specific requirements for that type of alternative teleconferencing, which may vary depending on the category of alternative teleconferencing used. See the Appendix for a full copy of the Brown Act and more information on the aforementioned alternative teleconferencing categories.

Emergency Teleconferencing

In response to the need for greater flexibility in teleconferencing meetings in the wake of the COVID-19 pandemic, the Brown Act was amended to allow legislative bodies to meet remotely during proclaimed emergencies under modified teleconferencing procedures that do not require compliance with the “standard” procedures noted above, provided that the special emergency procedures are followed.²²

Summary of circumstances and process authorizing emergency teleconferencing procedures:

1. An emergency situation arises that poses an imminent risk to public health and safety.
2. A local emergency or state of emergency is declared.
3. A district wishes to meet remotely via teleconferencing as a result of the emergency. The meeting agenda includes an item for consideration of a resolution to authorize the use of teleconferencing for meetings consistent with Section 54953.8.2.
4. A resolution is passed by majority vote determining that meeting in person would present imminent risks to the health or safety of attendees. The resolution is valid for up to 45 days.

III. Meetings Covered and Exempted (continued)

5. If the state of emergency remains, the district must renew its emergency teleconferencing resolution at least every 45 days, which includes findings that the legislative body has both (1) reconsidered the circumstances of the state of emergency, and (2) the state of emergency continues to directly impact the ability of the members to meet safely in person.

Compliance Tip

The emergency teleconferencing procedures can only be used in the event that a gubernatorial state of emergency (1) has been issued AND (2) remains active, or a local emergency is declared with extreme peril to persons or property in accordance with Section 8630 of the California Emergency Services Act (Chapter 7 (commencing with Section 8550) of Division 1 of Title 2), as defined in Section 8680.9, or a local health emergency declared pursuant to Section 101080 of the Health and Safety Code. Local emergency refers only to local emergencies in the boundaries of the territory over which the local agency exercises jurisdiction.

Teleconferencing for “Just Cause” Circumstances

Expanded teleconferencing procedures were added to the Brown Act in recent years to permit a member of a legislative body to attend a meeting by teleconferencing via a two-way audiovisual platform or “webcast” on a limited basis.¹²¹ The member may only request to participate from a remote location under these guidelines if one of the following circumstances applies:

1. The member must participate remotely for “just cause,” defined as:
 - a. A childcare or caregiving need of a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires them to participate remotely.

- b. A contagious illness that prevents a member from attending in person.
 - c. A need related to a physical or mental disability, as defined.
 - d. Travel while on official business of the legislative body or another state or local agency.
 - e. An immunocompromised child, parent, grandparent, grandchild, sibling, spouse, or domestic partner of the member that requires the member to participate remotely.
 - f. A physical or family medical emergency that prevents a member from attending in person.
 - g. Military service obligations that result in a member being unable to attend in person because they are serving under official written orders for active duty, drill, annual training, or any other duty required as a member of the California National Guard or a United States Military Reserve organization that requires the member to be at least 50 miles outside the boundaries of the local agency.
2. In order for a member of the legislative body to participate remotely under these provisions, they must comply with the alternative teleconferencing provisions discussed previously, including:
 - a. At least a quorum of the members of the Legislative Body participate in-person from a single physical location accessible to the public, which is within the boundaries of the agency and clearly identified in the posted agenda.
 - b. The public is permitted to attend the meeting either by teleconference or videoconference in a manner such that the public can remotely attend and offer real-time comment during the meeting.
 - c. Notice of the means by which the public can remotely attend the meeting via teleconference or videoconference and offer comment during the meeting is included within the posted agenda.

III. Meetings Covered and Exempted (continued)

- d. The member has done the following:
 - i. For a “just cause” circumstance, notify the legislative body at the earliest opportunity, including at the start of a regular meeting, of their need to participate remotely for just cause, including a general description of the circumstance relating to their need to appear remotely at the given meeting.
 - ii. The member shall participate through both audio and visual technology.
- e. The member shall publicly disclose at the meeting before any action is taken whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the nature of the member’s relationship with such individuals.

A member of a legislative body may not participate in meetings of the legislative body solely by teleconference from a remote location under these provisions for more than the following number of meetings, as applicable:

1. Two meetings per year, if the legislative body regularly meets once per month or less.
2. Five meetings per year, if the legislative body regularly meets twice per month.
3. Seven meetings per year, if the legislative body regularly meets three or more times per month.

Any meetings that begin on the same calendar day shall be considered a single occurrence for the purpose of counting meetings.

Teleconferencing under the Americans with Disabilities Act (ADA)

The Brown Act requires an agency’s legislative body to allow remote participation in a meeting as a reasonable accommodation for a member with a qualifying disability that precludes in-person attendance at meetings of the legislative body by the member.¹²⁴ The member’s remote participation must be conducted in a

manner that simulates in-person attendance at meetings held in person at a location open to the public. To do this, a member that participates remotely in a meeting as an accommodation under ADA must do the following:

1. Use two-way video and audio streaming in real time, except that any member may use audio only if a physical condition related to their disability results in a need to participate off camera.
2. Disclose the identity of any adults who are present with the member at the remote location, and the general nature of the member’s relationship with any of the individuals.

Local agencies should consult with counsel when receiving a request for accommodation under ADA to participate in a meeting remotely.

Teleconferencing by an Eligible Subsidiary Body

An eligible subsidiary body may conduct a teleconference meeting by complying with the alternative teleconferencing requirements, and:

1. Designating one physical meeting location within the boundaries of the legislative body that created the eligible subsidiary body where members of the subsidiary body who are not participating remotely shall be present and members of the public may physically attend, observe, hear, and participate in the meeting. At least one staff member of the eligible subsidiary body or the legislative body that created the eligible subsidiary body shall be present at the physical meeting location during the meeting. The eligible subsidiary body shall post the agenda at the physical meeting location but need not post the agenda at a remote location.
2. A member of the eligible subsidiary body shall visibly appear on camera during the open portion of a meeting that is publicly accessible via the internet or other online platform, except if the member has a physical or mental condition that results in a need to participate off camera.
3. The visual appearance of a member of the eligible subsidiary body on camera may cease only when

III. Meetings Covered and Exempted (continued)

the appearance would be technologically infeasible, including, but not limited to, when the member experiences a lack of reliable broadband or internet connectivity that would be remedied by joining without video.

4. If a member of the eligible subsidiary body does not appear on camera due to challenges with internet connectivity, the member shall announce the reason for their nonappearance prior to turning off their camera.
5. An elected official serving as a member of an eligible subsidiary body in their official capacity shall not participate in a meeting of the eligible subsidiary body by teleconferencing pursuant to this section unless the use of teleconferencing complies with the requirements of paragraph (3) of subdivision (b) of Section 54953.
6. Before an eligible subsidiary body uses teleconferencing for the first time, the legislative body that established the eligible subsidiary body must adopt certain findings by a majority vote, and every six months thereafter.¹²⁷

“Eligible subsidiary body” means a legislative body that meets all of the following:

1. Is described in subdivision (b) of Section 54952.
2. Serves exclusively in an advisory capacity.
3. Is not authorized to take final action on legislation, regulations, contracts, licenses, permits, or any other entitlements, grants, or allocations of funds.
4. Does not have primary subject matter jurisdiction, as defined by the charter, an ordinance, a resolution, or any formal action of the legislative body that created the subsidiary body, that focuses on elections, budgets, police oversight, privacy, removing from, or restricting access to, materials available in public libraries, or taxes or related proposals.

What is not a meeting?

The Brown Act lists seven circumstances that are not considered a regulated “meeting.”

1. **Individual Contacts.** Individual district legislative body members may engage in separate conversations or communications with staff, the public, and even another member of a legislative body, provided that the official or the person they contact “does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.”²⁶ In other words, the Brown Act does not restrain a member of a legislative body’s individual actions, but such contacts cannot lead to the type of prohibited serial meeting described above.

Recent Brown Act amendments clarified that a member of a legislative body may engage in conversations of communications on an internet-based social media platform (e.g., Facebook or Twitter) to answer questions, provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the legislative body, provided that a majority of the members of the legislative body do not use the internet-based social media platform to discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body. In addition, a member of the legislative body may not respond directly to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the legislative body that is made, posted, or shared by any other member of the legislative body.²⁷

III. Meetings Covered and Exempted (continued)

Quorum Exceptions

Attendance by a quorum of members of a legislative body is permitted in the following circumstances, provided that a majority of the members do not discuss district business amongst themselves (other than as part of the scheduled meeting, occasion or program):²³

2. **Standing Committee Meetings.** Members may attend an open and noticed meeting of a standing committee of the legislative body (provided that the members of the body who are not members of the committee attend only as observers).
3. **Meetings of a different body of the local agency** that are open and publicized.

Compliance Tip

“Liking” or “upvoting” (or other similar actions) can be construed as a legislative body discussion. The Brown Act defines “discuss among themselves” as: “communications made, posted, or shared on an internet-based social media platform between members of a legislative body, including comments or use of digital icons that express reactions to communications made by other members of the legislative body.”²⁸

4. **Meetings of a legislative body of another local agency** that are open and publicized (e.g., county board of supervisors, city council, or the board of directors of another district).
5. **Community meetings** organized to address topics of local community concern by a person or organization other than the district, provided the meeting is open and publicized. However, agencies should be mindful that the Attorney General has opined that a “State of the City” or “State of [Special District]” event is a meeting for the purposes of the Brown Act.¹²³
6. **Conferences or similar gatherings** that are open to the public and are for purposes of discussing issues of general interest to the public or to public agencies such as the district.

Note: The Brown Act does not define what “publicized” means for the purposes of the community meeting exemption, but notice in a newspaper, a mass mailing, physical posting in multiple locations around a community, or posting internet websites should be sufficient to satisfy the Brown Act’s openness requirements.

7. **Social or ceremonial events** such as parties, weddings, funerals, retirement celebrations or charitable fundraisers.

Practice Tip: Public officials do not have to stop engaging with the public because of the Brown Act. But they should take some simple precautions to avoid unintentional violations of the law. This includes warning members of the public when engaging with them outside of a Brown Act open meeting that you cannot discuss the views of other officials and stopping any such discussion by a member of the public as soon as possible.

IV. Categories of Meetings, and Applicable Notice, Location, Agenda and Procedural Requirements

Categories of meetings subject to the Brown Act

1. **Regular meetings** are meetings held at the dates, times and location set by ordinance, resolution, bylaws or other formal action of a legislative body.³⁰
2. **Special meetings** are meetings called by the presiding officer or a majority of the legislative body and may be held at any time subject to a 24-hour notice requirement. Such written notice must be delivered to each member of the legislative body (unless waived in writing by that member) and to each local newspaper of general circulation, and to each radio and television station that has requested such notice in writing. Only the business set forth in the notice may be considered at the meeting.²⁵
3. **Adjourned meetings** are regular or special meetings that have been adjourned to a time and place specified in the order of adjournment.³²
4. **Emergency meetings** are meetings that may occur where the legislative body determines there is an emergency situation that severely impairs public health or safety or there is an existing or threatened situation that poses immediate and significant peril. The special meeting provisions apply to emergency meetings, except the 24-hour notice is not required. News media must be notified by telephone at least one hour in advance of an emergency meeting (except for “dire” emergencies), and all telephone numbers provided must be tried. If telephones are not working, the notice requirements are deemed waived, but the news media must be notified as soon as possible of the meeting and any action taken. Closed sessions are permitted during an emergency meeting under Section 54957 if agreed to by 2/3 vote of the members present (or all of the members if less than 2/3 present). The minutes of the meeting, a list of the persons notified or attempted to be notified, a copy of any roll call vote, and any

action taken at the meeting must be posted in a public place for a minimum of ten days as soon after the emergency meeting as possible.³³

Permitted Locations for Meetings

1. **Regular and special meetings** must be held within the boundaries of the agency’s jurisdiction except when:
 - a. meeting by remote teleconferencing during a proclaimed state of emergency;³⁴
 - b. complying with federal or state law or court order;
 - c. inspecting real property or personal property that cannot be conveniently brought to the agency;
 - d. participating in multi-agency meetings (provided the meeting takes place in a member agency’s jurisdiction and is properly noticed);
 - e. meeting in the closest meeting facility if the district has no meeting facility within its boundaries;
 - f. meeting with elected or appointed federal or state officials when a local meeting would be impractical (solely to discuss local issues over which such officials have jurisdiction);
 - g. meeting in or nearby a facility owned by the agency (provided the meeting is limited to items directly related to the facility); and
 - h. visiting the office of its legal counsel for a closed session on pending litigation when to do so would reduce legal costs.³⁵

Note: Retreats and workshops for agencies other than statewide JPAs must be held within the territory of the agency.

IV. Meeting Categories & Requirements (continued)

2. **Joint powers agencies** may meet within the territory of any member, or if members are located throughout the state, then they can meet anywhere in the state, provided such facility is open to all members of the public.³⁶
3. **Emergency meetings** are subject to the same locational rules as regular and special meetings except that the presiding officer may move them to another location if it is unsafe to meet in the regular designated meeting location, or, if the meeting is being conducted during a proclaimed state of emergency by remote teleconferencing pursuant to the provisions of Section 54953.8.2.³⁷

Agenda Requirements

General Rules

- A written agenda must be prepared for each regular or adjourned regular meeting of the legislative body.
- The agenda must be posted at least 72 hours in advance of the regular meeting to which it relates.
- Each item of business to be transacted or discussed, including items to be discussed in closed session, must be the subject of a brief general description, which generally need not exceed 20 words.³⁶
- If the agency has an internet website, agendas must be posted at least 72 hours before a regular meeting and at least 24 hours before a special meeting on the agency's website. The special meeting Internet posting requirement only applies to an agenda of either (a) the governing body, or (b) the participating members are compensated, and one or more members attending are also members of the governing body.³⁹

Compliance Tip

Drafting an agenda description that is brief but discloses enough information for the public to understand a proposed action is not an easy task. Including information such as the location of a project, the purpose of a project (as opposed to just an agency or applicant given name), the parties involved, and the costs associated with the action will help deflect claims of lack of proper notice.

Note: Agendas at physical locations must be posted in areas that are freely accessible to the public at all times. Posting on a bulletin board inside the district's office that is locked after business hours is not in compliance. With limited exceptions, independent special districts must establish and maintain an Internet website that must have contact information for the district listed in addition to the agenda and any meeting materials. The internet website posting requirement may be excused if there are technical difficulties, provided that the district continues to comply with all other notice requirements. Internet website posting requires the agenda to be posted as a direct link on homepage of the agency's website and in an open format that permits the public to retrieve, download, index, and search for the agenda through the internet, in a manner that is "platform independent and machine readable".⁴²

IV. Meeting Categories & Requirements (continued)

Non-Agenda Items

Action or discussion on any item not appearing on the posted agenda is generally prohibited except that members of the legislative body may:⁴³

- briefly respond to statements made or questions posed by the public;
- ask a question for clarification;
- make a brief announcement;
- make a brief report on activities;
- provide a reference to staff or other sources for factual information;
- request staff to report back to the legislative body at a subsequent meeting; or
- direct staff to place a matter of business on a future agenda.⁴⁴

Statutory exceptions to action on non-agenda items

A legislative body may take action on items of business not appearing on the agenda under the following conditions:

- **Emergency:** When a majority decides that an emergency situation exists (i.e., work stoppage, crippling disaster, etc.).
- **Subsequent need urgency item:** When 2/3 present (or all members if less than 2/3 are present) determine there is a need to take immediate action and that the need for action came to the attention of the district subsequent to the agenda being posted.
- **Hold over item:** When the item appeared on the agenda of, and was continued from, a regular meeting held not more than five days earlier.⁴⁵

Special agenda disclosure for concurrent meetings

A legislative body that convenes a meeting and whose membership constitutes a quorum of another legislative body may convene a meeting of the other legislative body, either simultaneously or in serial order, only if a clerk or member of the body verbally announces, prior to convening any simultaneous or serial meeting, the amount of “compensation” or “stipend” that each member will receive as a result of convening the simultaneous or serial meeting of the subsequent legislative body. No agenda announcement is required if:

1. The amount of compensation is prescribed by statute; and
2. No additional compensation for the simultaneous or subsequent meeting has been authorized by the district.

The terms “compensation” and “stipend” do not include reimbursement for actual and necessary expenses incurred by a member in the performance of official duties, including travel, meals, and lodging.⁴⁶

IV. Meeting Categories & Requirements (continued)

Compliance Tip

The agenda must designate the address where documents may be inspected by the public.⁵²

Documents and other writings related to a meeting must be made available to the public at the time of distribution to a majority of the legislative body meeting if prepared by the district or a member of a legislative body, or after the meeting if prepared by some other person.⁶² If a district is distributing agenda-related materials to the majority of a legislative body less than 72 hours before a meeting, it must ensure immediate public access to those materials in one of two ways:

1) by making the material immediately available for public inspection at a public office or location designated for that purpose and listing the address of the designated place on all agendas, or

2) by making an initial report (i.e., a document containing a summary and staff recommendation) of the material available for public inspection at a designated location at least 72 hours before the meeting, posting the material on the local agency's internet website in a position and manner that makes it clear that the material relates to an agenda item for an upcoming meeting, listing the web address where the material can be found on all agendas, and making physical copies available for public inspection beginning the next regular business hours for the agency, though this last requirement can only be fulfilled if the next regular business hours of the local agency commence at least 24 hours before that meeting; otherwise the legislative body cannot fulfill all of the requirements of these provisions and may be forced to delay the agenda item the materials relate to.¹¹⁹

If requested in writing in advance, a member of the public may be mailed copies of the agenda or agenda packet at the time it is distributed to a majority of the legislative body. Such a request is valid for the calendar year filed. A public agency may establish a mailing fee not to exceed the cost of providing this service.^{63,64}

Any audio or video tape record of a public meeting made by or at the direction of the district is subject to inspection under the Public Records Act and such inspection must be provided without charge on equipment made available by the district. If copies of the audio or video tape are desired, the agency may impose its ordinary charge for copies. Audio and video tapes may, however, be erased or destroyed 30 days after the taping or recording.⁶⁵

Meetings of an “Eligible Legislative Body”

Beginning July 1, 2026, all meetings of an “eligible legislative body” are subject to enhanced mandates under the Brown Act to provide increased public access as well as possible translation of agendas and meetings into additional languages.¹³²

These additional requirements only apply to an “eligible legislative body” and not to a “legislative body” as traditionally defined in the Brown Act.

For a special district, eligible legislative body means:

1. The board of directors of a special district that has an internet website and meets any one of the following conditions –
 - a. The boundaries of the special district include the entirety of a county with a population of 600,000 or more, and the special district has over 200 full-time equivalent employees; or
 - b. The special district has over 1,000 full-time equivalent employees; or
 - c. The special district has annual revenues, based on the most recent Financial Transaction Report data

IV. Meeting Categories & Requirements (continued)

published by the California State Controller, that exceed four hundred million dollars (\$400,000,000), adjusted annually for inflation commencing January 1, 2027, as measured by the percentage change in the California Consumer Price Index from January 1 of the prior year to January 1 of the current year, and the special district employs over 200 full-time equivalent employees.

2. An eligible legislative body also includes a city council of a city with a population of 30,000 or more; a county board of supervisors of a county, or city and county, with a population of 30,000 or more; and a city council of a city located in a county with a population of 600,000 or more.

Two-Way Audiovisual or Telephonic Access

Every meeting of an eligible legislative body must include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform, except if adequate telephonic or internet service is not operational at the meeting location.

“Two-way audiovisual platform” means an online platform that provides participants with the ability to participate in a meeting via both an interactive video conference and a two-way telephonic service. “Two-way telephonic service” means a telephone service that does not require internet access and allows participants to dial a telephone number to listen and verbally participate.

Note: If adequate telephonic or internet service is operational at the meeting location during only a portion of the meeting, the legislative body shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform during that portion of the meeting.

IV. Meeting Categories & Requirements (continued)

Compliance Tip

By July 1, 2026, an eligible legislative body must adopt a policy in open session related to disruption of service during meetings that includes procedures for recessing and reconvening a meeting in the event of disruption and describes the efforts that the eligible legislative body shall make to attempt to restore the service. If a disruption of service that prevents members of the public from attending or observing the meeting occurs during the meeting, the eligible legislative body shall recess the open session of the meeting for at least one hour and make a good faith attempt to restore the service. The eligible legislative body may meet in closed session during this period. The eligible legislative body shall not reconvene the open session of the meeting until at least one hour following the disruption, or until service is restored, whichever is earlier. If service is not restored upon reconvening the session, the eligible legislative body shall adopt a finding by rollcall vote that good faith efforts to restore the service have been made in accordance with the policy by the agency, and that the public interest in continuing the meeting outweighs the public interest in remote public access.

When an eligible legislative body elects to provide two-way audiovisual access (rather than telephonic access), the eligible legislative body shall publicly post and provide a call-in option and activate any automatic captioning function during the meeting if an automatic captioning function is included with the two-way audiovisual platform. The public must be provided with an opportunity to provide comments as they would with any other open and public meeting, with the same time allotment as a person attending in person.

IV. Meeting Categories & Requirements (continued)

Meeting Translation

Although an eligible legislative body is not required to provide interpretation of any meeting, it may elect to provide interpretation, and must reasonably assist members of the public who wish to translate a public meeting into any language or wish to receive interpretation provided by another member of the public, so long as the interpretation is not disrupting to the meeting as defined in Section 54957.95. Examples of assistance may include allowing extra time or allowing participants to use personal equipment to assist them.

An eligible legislative body must also take affirmative actions to encourage underrepresented and non-English speaking communities to participate in meetings, including: having in place a system for electronically accepting and fulfilling requests for meeting agendas and documents pursuant to Section 54954.1 through email or through an integrated agenda management platform; maintaining an accessible internet webpage translated in all “applicable languages” (discussed below) dedicated to public meetings; making reasonable efforts, as determined by the legislative body, to invite groups that do not traditionally participate in public meetings to attend those meetings.

Compliance Tip

Every eligible legislative body should have a webpage dedicated to public meetings that includes: a general explanation of the public meeting process, an explanation of the procedures for a member of the public to provide in-person or remote oral public comment during a public meeting or to submit written public comment, a calendar of all public meeting dates with calendar listings that include the date, time, and location of each public meeting, the most recent agenda, and a link from the homepage of the agency to the required webpage.

Agenda Translation

The agenda for each meeting of an eligible legislative body must be translated into all “applicable languages,” with each translated agenda posted in accordance with agenda posting requirements. This applies only to the agenda, and not the entire agenda packet. Each translation shall include instructions in the applicable language describing how to join the meeting by the telephonic or internet-based service option, including any requirements for registration for public comment.

“Applicable languages” means languages, according to data from the most recent American Community Survey, spoken jointly by 20 percent or more of the applicable population, provided that 20 percent or more of the population that speaks that language in that city or county speaks English less than “very well.” “Applicable population” is determined as follows:

1. For an eligible legislative body of a special district, the applicable population shall be either of the following, at the discretion of the board of directors of the special district:

IV. Meeting Categories & Requirements (continued)

- a. The population of the county with the greatest population within the boundaries of the special district.
 - b. The population of the service area of the special district, if the special district has the data to determine what languages are spoken by the population within its service area.
2. For an eligible legislative body that is a city council or county board of supervisors, the applicable population shall be the population of the city or county.

If more than three languages meet the criteria set forth for “applicable languages,” the agency shall translate for the three languages that are spoken by the largest percentage of the population. Translation may be done using a digital translation service, and the eligible legislative body must also accept additional translations of the agenda from the public to post in physical locations where agendas are posted.

V. Rights of the Public at Meetings

Public Attendance

The Brown Act’s mandate that all persons must be “permitted to attend any meeting of a legislative body”⁴⁷ is implemented in a variety of ways:

- Members of the public cannot be required to register their names, provide other information, complete a questionnaire, or otherwise fulfill any condition precedent to attending. If an attendance list, register, questionnaire or similar document is circulated to persons present during the meeting, it must state that the signing, registering or completion of the document is voluntary.⁴⁸
- No meeting or any other function can be held in a facility that prohibits attendance based on race, religious creed, color, national origin, ancestry, or sex, or which is inaccessible to the disabled.⁴⁹
- No meeting may be held where the public must pay or make a purchase to attend (this includes remote locations where teleconferencing is used).⁵⁰
- And if teleconferencing is used, members of the public must be given notice of the teleconference location and be able to address the legislative body from such location.⁵¹

Public Accommodation (Americans With Disabilities Act)

All open meetings under the Brown Act must also comply with Section 202 of the Americans with Disabilities Act (“ADA”) and its implementing rules and regulations. The ADA prohibits a governmental entity from discriminating against individuals with disabilities in the programs, services, and activities it offers. Programs and activities are required to be readily accessible to and usable by disabled individuals.⁵⁴ Therefore, public entities must make accommodations for disabled individuals to participate in the meetings unless doing so would be an undue burden or cause a fundamental alteration in the program or activity.⁵⁵ This is accomplished in the following two ways:

1. **Physical facilities:** In addition to the meeting room being accessible, the telephones and bathrooms must also be made accessible if phones and bathrooms are provided for non-disabled individuals.⁵⁶ Meeting rooms must also have wheelchair seating and assistive listening systems.⁵⁷
2. **Agenda and written materials:** Agendas must include information regarding how, to whom and when a request for disability-related modification or accommodation may be made in order for a person with a disability to participate in the meeting. When requested by a person with a disability, the agenda and documents in the agenda packet must be made available in “appropriate alternative formats,” and writings distributed at a public meeting must also be made available in “appropriate alternative formats,” even when the materials are handed out by members of the public.⁵⁸

V. Rights of the Public at Meetings (continued)

Public Access to Meeting Records

The public has the right to review agendas and documents and other writings distributed to a majority of the legislative body (except for privileged documents). A fee or deposit may be charged for a copy of these public records.⁵⁹ *See Compliance Tip on Page 18 for more information.*

Compliance Tip

With the advent of digital files, most agencies maintain copies of meeting recordings on their website, either permanently or for an extended period of time, to ensure continued public access and as an aid for reminding officials and staff precisely what transpired in such meetings.

Public Participation

A regular meeting agenda must allow an opportunity for members of the public to speak on any item of interest, so long as the item is within the subject matter jurisdiction of the legislative body.⁶⁶

The public must be allowed to speak on a specific item of business before or during the legislative body's consideration of it.⁶⁷ However, an agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting where members of the public were given the opportunity to address the committee on the item, before or during the committee's consideration of the item. This shall not apply in some circumstances, such as when the item has been substantially changed since the committee heard the item, or if the committee members did not participate from a singular location when considering the item. Every notice for a *special* meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.¹²⁵

V. Rights of the Public at Meetings (continued)

Public Conduct

Disturbances. The legislative body may remove any person from a meeting who willfully interrupts the proceedings. Removal is only justified, however, when an audience member actually disrupts the meeting.⁷¹ If order still cannot be restored, the meeting room may be cleared.⁷² Members of the news media who have not participated in the disturbance must be allowed to continue to attend the meeting. The legislative body may also re-admit individuals not responsible for the disturbance.⁷³ The authority of a legislative body to remove a person who disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting shall apply to members of the public participating in a meeting via two-way telephonic service or two-way audiovisual platform.¹²⁶

Removal of disruptive individuals. The presiding member of the legislative body conducting a meeting or their designee may remove, or cause the removal of, an individual for disrupting the meeting if, prior to removing the individual, the presiding member or their designee warns the individual that their behavior is disrupting the meeting and that their failure to cease their behavior may result in their removal. The presiding member or their designee may then remove the

individual if they do not promptly cease their disruptive behavior.

“Disrupting” means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, one of the following:

1. A failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law.
2. Engaging in behavior that constitutes use of force or a true threat of force.

No warning is required if the individual is engaging in behavior that constitutes use of force or a true threat of force. “True threat of force” is defined to mean a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat.¹²⁰

Non-disruptive criticism. The legislative body cannot prohibit public criticism of policies, procedures, programs, or services of the agency or the acts or omissions of the legislative body itself.⁷⁴ Expressions of opposition to actions of the district (provided they are not overly disruptive) constitute protected speech.⁷⁵

Compliance Tip

If a closed session is held before the start of the regular open session agenda, the public must be provided an opportunity to address the legislative body on any closed session item before the legislative body adjourns to closed session.

The legislative body may adopt reasonable regulations, including time limits, on public comments (e.g., 3-5 minutes/speaker).⁶⁸ However, when a legislative body limits time for public comment, the legislative body must provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the legislative body.⁶⁹

The public is allowed to use audio or video tape recorders or still or motion picture cameras at an open meeting, absent a reasonable finding by the legislative body that such recording, if continued, would persistently disrupt the proceedings due to noise, illumination, or obstruction of view.⁷⁰

VI. Closed Sessions

The Brown Act recognizes that not all local agency business should be conducted in the open and provides limited exceptions termed “closed sessions” for sensitive matters such as litigation, security threats and certain personnel matters. If a matter is not listed in the Brown Act as an appropriate subject for a closed session, the matter must be discussed in public even if the subject is sensitive, embarrassing or controversial. In addition to listing the permissible subjects for closed sessions, the Brown Act outlines how such matters should be agendized,⁷⁶ and when and how the matters must be disclosed in an open meeting or otherwise made public.

Matters appropriate for closed session and applicable agenda description ⁷⁷

1. **Public employment.** A closed session may be held to appoint, employ, evaluate the performance of, discipline, or dismiss a public employee.⁷⁸ A closed session may also be used to hear specific complaints or charges brought against a public employee unless the employee requests a public session upon 24 hours’ advance written notice.⁷⁹ The applicable safe harbor agenda descriptions for these matters are:
 - a. **PUBLIC EMPLOYMENT**
Government Code section 54957
Title: (Specify description of position to be filled)
 - b. **PUBLIC EMPLOYEE PERFORMANCE EVALUATION**
Government Code section 54957
Title: (Specify position title of employee being reviewed)

- c. **PUBLIC EMPLOYEE DISCIPLINE/ DISMISSAL/RELEASE**
Government Code section 54957
(No description is required.)

Note: The public employment exception only applies to “public employees.” This includes independent contractors that function as an officer or employee such as a contract general counsel or human resources officer. Discussions or action taken on persons other than employees (e.g., elected officials, appointed members of a committee, and independent contractors that do not function as an officer or employee) must be taken in open session unless there is another applicable exception such as potential litigation.⁷⁰

Compliance Tip

Interviews for appointments to district legislative or advisory bodies must be conducted in open session. While candidates for such positions cannot be compelled to stay outside the room where the interview is held while other candidates are being interviewed, most will comply with a request to do so.

VI. Closed Sessions (continued)

The Brown Act recognizes that not all local agency business should be conducted in the open and provides limited exceptions termed “closed sessions” for certain sensitive matters.

Note: The personnel exception does not authorize action on proposed compensation in closed session, except for a reduction in pay as a result of proposed disciplinary action. Reviewing an employee’s job performance and making threshold decisions about whether any salary increase should be granted is permissible for closed session, but any action concerning the amount of any salary increase must be held in an open session.⁸¹ As noted below, a legislative body may address compensation of an unrepresented employee, such as a general manager, under the labor negotiation exception.

Note: The Brown Act requires an oral report in open session at the meeting where final action is to be taken that summarizes the recommendation for final action on the salary, salary schedule, or compensation paid in the form of fringe benefits of a “local agency executive” as that term is defined in Government Code section 3511.1, or a department head or other similar administrative officer of the local agency.⁸³ The intent appears to be to preclude placing such items on a consent calendar or similar action item that may involve no discussion of the matter.

2. **Labor negotiations.** A closed session is appropriate to discuss, with the agency’s bargaining representative, salaries, salary schedules, fringe benefits, funding priorities and other matters within the statutory scope of employee representation for both represented (e.g., union or other recognized employee organization) and unrepresented employees (e.g., management). Final action must be taken in open session.⁸² The applicable safe harbor agenda description is:

CONFERENCE WITH LABOR NEGOTIATORS
Government Code section 54957.6

Agency designated representatives: (Specify names of designated representatives attending the closed session)

Employee organization: (Specify name of organization representing employee or employees in question)

or

Unrepresented employee: (Specify position title of unrepresented employee who is the subject of the negotiations)

3. **Litigation.** A closed session is appropriate to discuss (1) threatened litigation against the district; (2) potential exposure to litigation; (3) potential initiation of litigation; and (4) existing litigation.

Potential litigation against or to be initiated by the district. A closed session may be held in situations where there is anticipated litigation against the district or when the district is contemplating bringing a legal action. Where the agency seeks to discuss with its legal counsel threatened or anticipated litigation, there must be “existing facts and circumstances” to support the closed session. Existing facts and circumstances include:

- a. facts and circumstances that the agency believes are not known to a potential plaintiff;
- b. the receipt by the agency of a claim pursuant to the Government Claims Act or some other written communication threatening litigation;
- c. a statement made by a person in a public meeting threatening litigation on a specific matter within the responsibility of the legislative body; or
- d. a statement made outside a public meeting so long as the official or employee of the agency receiving knowledge of the threat makes a record

VI. Closed Sessions (continued)

of the statement prior to the meeting, and the statement is available for public inspection.⁸⁴

A legislative body may also meet in closed session to decide if the above facts and circumstances are present and thus whether the closed session is authorized.⁸⁵ The applicable safe harbor agenda descriptions are:

CONFERENCE WITH LEGAL COUNSEL— ANTICIPATED LITIGATION

Significant exposure to litigation pursuant to Government Code section 54956.9(d)(2) or (3) [as applicable]: (Specify number of potential cases)⁸⁶

or

Initiation of litigation pursuant to Government Code section 54956.9(d)(4): (Specify number of potential cases)

Existing litigation. Where a legal action has already been initiated by or against the district, a closed session may be held to provide updates to the board and discuss strategy. The applicable safe harbor agenda description is:

CONFERENCE WITH LEGAL COUNSEL— EXISTING LITIGATION

Government Code section 54956.9(d)(1)

Name of case: (Specify by reference to claimant's name, names of parties, case or claim numbers)

or

Case name unspecified: (Specify whether disclosure would jeopardize service of process or existing settlement negotiations)

Notes: The ability to meet in closed session for existing litigation only applies to litigation to which the district is a party. It is generally understood, consistent with the safe harbor description, that the agency's attorney must be a participant in all litigation-related closed sessions.⁷⁶

4. **Real estate negotiations.** A closed session is permitted for the legislative body to discuss with its real property negotiator the purchase, sale, exchange or lease of real property by or for the district. As part

VI. Closed Sessions (continued)

of the discussion, the legislative body may discuss the price and terms of the transaction. According to the Attorney General, this includes only the following:

- a. The amount of consideration that the district is willing to pay or accept in exchange for the real property rights to be acquired or transferred in the particular transaction;
- b. The form, manner, and timing of how that consideration will be paid; and
- c. Items that are essential to arriving at the authorized price and payment terms, such that their public disclosure would be tantamount to revealing the information that the exception permits to be kept confidential.⁸⁸

The real estate exemption is very limited. Discussions regarding related policy matters such as design work for the project, traffic, and EIR considerations, etc., are beyond the scope of the exemption.⁸⁹ The applicable safe harbor agenda description is:

CONFERENCE WITH REAL PROPERTY NEGOTIATORS

Government Code section 54956.8

Property: (Specify street address, or if no street address, the parcel number or other unique reference, of the real property under negotiation)

Agency negotiator: (Specify names of negotiators attending the closed session) (If circumstances necessitate the absence of a specified negotiator, an agent or designee may participate in place of the absent negotiator so long as the name of the agent or designee is announced at an open session held prior to the closed session.)

Negotiating parties: (Specify name of party (not agent))

Under negotiation: (Specify whether instruction to negotiator will concern price, terms of payment, or both)

5. **License applications.** A closed session is appropriate if the legislative body finds it necessary to discuss the license application of an applicant with a criminal record, and whether that applicant is sufficiently rehabilitated to obtain the license.⁹⁰ The applicable safe harbor description is:

LICENSE/PERMIT DETERMINATION

Government Code section 54956.7

Applicant(s): (Specify number of applicants)

6. **Security of public facilities and services or a threat to critical infrastructure controls or critical infrastructure information relating to cybersecurity.** A closed session is appropriate for the legislative body to discuss matters posing a threat to the security of public buildings and facilities as well as essential public services, or a threat to critical infrastructure controls or critical infrastructure information relating to cybersecurity, and threats

VI. Closed Sessions (continued)

to the public's right of access to public services or facilities.⁹¹ The applicable safe harbor description is:

THREAT TO PUBLIC SERVICES OR FACILITIES

Government Code section 54957

Consultation with: (Specify name of law enforcement agency and title of officer, or name of applicable agency representative and title)

Procedure for Adjourning to Closed Session

Prior to holding any closed session, the legislative body must disclose, in an open meeting, the item or items to be discussed in the closed session. The disclosure may simply refer to the items as they are listed on the closed session agenda. This announcement may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcement.⁹²

Who may be present at the closed session?

Closed sessions should only include those members of the legislative body and support staff necessary to conduct business regarding the specific item (e.g., legal counsel, consultants, real estate or labor negotiators, etc.).⁹³

Reporting After Closed Sessions

The legislative body must reconvene in open session to report any “action taken” in closed session. In general, only final action on a matter need be reported (e.g., an agreement to buy property, settlement of a lawsuit where the other party has signed the agreement, acceptance of a resignation, etc.). Thus, for example, the dismissal or nonrenewal of an employment contract is not reported until the first public meeting following exhaustion of administrative remedies, if any. Once final approval occurs, the agency must disclose the action taken “upon inquiry by any person.”⁹⁴ Copies of contracts, settlement agreements, or other documents finalized in closed session must be made available within 24 hours of the action, or, in the case of substantial amendments or retyping, when complete.^{95, 96}

Compliance Tip

For convenience, many districts schedule closed sessions prior to commencement of the regular agenda and often hold such closed sessions in separate locations. Under § 54957, the public has the right to be present at such location and has the right to address the legislative body regarding any agendaized closed session items under § 54954.3 prior to the legislative body adjourning into closed session.

Improper Disclosure of Closed Session Information

The disclosure of confidential information acquired in a closed session is prohibited unless the legislative body authorizes the disclosure of the information. “Confidential information” means communication made in closed session that is specifically related to the basis for the closed session meeting. Violations of this disclosure prohibition may be addressed by any legal remedy, including: injunctive relief to prevent future disclosures; disciplinary action (against employees); or referral to a grand jury (for violations by members of the legislative body).⁹⁷

Compliance Tip

Although § 54957.1(a)(1) indicates that real estate agreements may be approved in closed session, as a practical and political matter, it is prudent to take final action on such agreements in open session so that the public may more fully participate in the deliberations.

Note: A joint powers agency may authorize in its agreement or bylaws the disclosure of confidential information by members of the agency’s legislative body to their district legislative body in a closed session as well as to legal counsel of a member district.⁹⁸

VII. Adjournments and Continuances

Adjournments

The legislative body may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may adjourn such meetings and if all members are absent, the clerk or secretary of the legislative body may declare the meeting adjourned. Written notice of the adjournment must be provided in the same manner as notice for special meetings. A copy of the order or notice of adjournment must be conspicuously posted on or near the door of the place where the meeting was held within 24 hours of adjournment. When a regular or adjourned regular meeting is adjourned, the resulting adjourned meeting is a regular meeting for all purposes. If the order of adjournment fails to state a specific hour for the next meeting, the meeting must be held at the hour designated for regular meetings.⁹⁹

Continuances

A duly noticed hearing may also be continued in the same manner as adjourned meetings. However, if the hearing is continued to a meeting that will occur in less than 24 hours, a copy of a notice of continuance must be posted immediately following the meeting at which the continuance was adopted.¹⁰⁰

VIII. Remedies and Penalties for Violations

Note: If the challenged meeting involves only deliberation and no action is taken, there can be no misdemeanor penalty. Moreover, as with most criminal statutes, it is often difficult to prove criminal intent. As a result, criminal enforcement of the Brown Act is rare.

Criminal Penalties

A member of a legislative body may be charged with a misdemeanor where (a) the member attends a meeting where an action is taken in violation of the Brown Act, and (b) the member intends to deprive the public of information to which the public is entitled under the Brown Act.¹⁰¹

Civil Action to Prevent Future Violations

The district attorney or any interested person may file a civil action to:

- Stop or prevent a threatened violation of the Brown Act.¹⁰²
- Determine the applicability of the Brown Act to ongoing actions or threatened future action of the legislative body.¹⁰³
- Determine whether any rule or action by the legislative body to penalize or otherwise discourage the expression of one or more of its members is valid under state or federal law.¹⁰⁴
- Compel the legislative body to tape record its closed sessions.¹⁰⁵
- Determine that an action of a legislative body violated the Brown Act and the action is null and void.¹⁰⁶

Opportunity for the legislative body to cure and correct alleged violations¹⁰⁷

Before filing a legal action alleging that a legislative body violated the Brown Act, the complaining party must send a written “cure or correct” demand to the legislative body. The demand must clearly describe the challenged action, the nature of the alleged violation, and the “cure” sought, and must be sent within 90 days of the alleged violation (or 30 days if the action was taken in open session but in violation of § 54952.2, which defines “meetings”). The legislative body has up to 30 days to cure and correct its action. If it does not act, any lawsuit must commence within 15 days after (a) receipt of written notice from the legislative body of such non-action, or (b) the expiration of the 30-day cure period if the legislative body does not respond to the cure request.

VIII. Remedies and Penalties for Violations (continued)

Opportunity for the legislative body to commit to cease & desist alleged past actions or practices ¹⁰⁸

Prior to commencing an action to determine if past actions of a legislative body are a violation of the Brown Act under § 54960, the complaining party must send a “cease and desist letter.” The cease-and-desist letter must be sent within nine months of the alleged violation. The legislative body may respond to the cease-and-desist letter within 30 days by making an unconditional commitment to cease and desist from the past action in open session at a regular or special meeting as a separate item of business, and not on its consent agenda, and providing such commitment to the complaining party. The commitment must state that:

- The legislative body has received the cease-and-desist letter; and
- The legislative body unconditionally commits to cease and desist from the challenged action; and

If the legislative body chooses to send an unconditional commitment agreeing to cease-and-desist from the challenged conduct within 30 days of receipt of the cease and desist letter, then no legal action can be commenced. Any party sending a cease-and-desist letter can commence a legal action challenging past conduct of a legislative body on whichever is earlier: (a) 60 days

of receiving a response other than an unconditional commitment to cease-and-desist; or (b) within 60 days of the expiration of the legislative body’s 30-day time period to respond to the cease-and-desist letter.

Compliance Tip

The cure & correct and cease & desist options allow a legislative body to avoid litigation over alleged Brown Act violations unless it is abundantly clear that no violation occurred, and a district wants to defend what it believes to be a correct policy or procedure. And even if a legislative body waits to cure or correct an alleged violation until after a lawsuit is commenced, an action seeking invalidation must be dismissed. Because a subsequent cure or correction cannot be introduced as evidence of a violation of the Brown Act, there is rarely a legitimate reason for a legislative body not to take any post-lawsuit steps to cure or correct an alleged violation if there is any question as to Brown Act compliance. ¹⁰⁹

VIII. Remedies and Penalties for Violations (continued)

If a court finds that a legislative body violated the Brown Act, the plaintiff may be awarded costs and attorney fees.

Invalidation of Certain Types of Actions

Only actions taken in violation of the Brown Act under the following circumstances may be invalidated:¹¹⁰

- the basic open meeting provision;¹¹¹
- notice and agenda requirements for regular meetings and closed sessions;¹¹²
- tax hearings;¹¹³
- special meetings;¹¹⁴ and
- emergency situations.¹¹⁵

Certain actions taken in violation of the Brown Act will not be invalidated if they involve:¹¹⁶

- substantial compliance;
- sale or issuance of notes, bonds or other indebtedness, or related contracts or agreements;
- a contractual obligation upon which a party has in good faith relied to its detriment;
- the collection of any tax; or
- the complaining party had actual notice at least 72 hours prior to the meeting at which the action is taken.

Award of Costs and Attorney Fees

If a court finds that a legislative body violated the Brown Act, the plaintiff may be awarded costs and attorney fees.¹¹⁷ The costs and fees are the liability of the district and not its officers or employees. A district may only recover its costs and attorney fees if it wins, and the court determines that the lawsuit was “clearly frivolous and totally lacking in merit.”¹¹⁸

GOVERNMENT CODE - GOV

TITLE 5. LOCAL AGENCIES [50001 - 57607]

(Title 5 added by Stats. 1949, Ch. 81.)

DIVISION 2. CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 55821]

(Division 2 added by Stats. 1949, Ch. 81.)

PART 1. POWERS AND DUTIES COMMON TO CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 54999.7] *(Part 1 added by Stats. 1949, Ch. 81.)*

CHAPTER 9. Meetings [54950 - 54963]

(Chapter 9 added by Stats. 1953, Ch. 1588.)

54950. In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

(Added by Stats. 1953, Ch. 1588.)

54950.5. This chapter shall be known as the Ralph M. Brown Act.

(Added by Stats. 1961, Ch. 115.)

54951. As used in this chapter, "local agency" means a county, city, whether general law or chartered, city and county, town, school district, municipal corporation, district, political subdivision, or any board, commission or agency thereof, or other local public agency.

(Amended by Stats. 1959, Ch. 1417.)

54952. As used in this chapter, "legislative body" means:

(a) The governing body of a local agency or any other local body created by state or federal statute.

(b) A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.

(c) (1) A board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that either:

(A) Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation, limited liability company, or other entity.

(B) Receives funds from a local agency and the membership of whose governing body includes a member of the legislative body of the local agency appointed to that governing body as a full voting member by the legislative body of the local agency.

(2) Notwithstanding subparagraph (B) of paragraph (1), no board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that receives funds from a local agency and, as of February 9, 1996, has a member of the legislative body of the local agency as a full voting member of the governing body of that private corporation, limited liability company, or other entity shall be relieved from the public meeting requirements of this chapter by virtue of a change in status of the full voting member to a nonvoting member.

(d) The lessee of any hospital the whole or part of which is first leased pursuant to subdivision (p) of Section 32121 of the Health and Safety

Code after January 1, 1994, where the lessee exercises any material authority of a legislative body of a local agency delegated to it by that legislative body whether the lessee is organized and operated by the local agency or by a delegated authority.

(Amended by Stats. 2002, Ch. 1073, Sec. 2. Effective January 1, 2003.)

54952.1. Any person elected to serve as a member of a legislative body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this chapter and shall be treated for purposes of enforcement of this chapter as if he or she has already assumed office.

(Amended by Stats. 1994, Ch. 32, Sec. 2. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54952.2. (a) As used in this chapter, “meeting” means any congregation of a majority of the members of a legislative body at the same time and location, including teleconference location as permitted by Section 54953, to hear, discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the legislative body.

(b) (1) A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

(2) Paragraph (1) shall not be construed as preventing an employee or official of a local agency, from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the local agency, if that person does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.

(3) (A) Paragraph (1) shall not be construed as preventing a member of the legislative body from engaging in separate conversations or communications on an internet-based social media platform to answer questions, provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the legislative body provided that a majority of the members of the legislative body do not use the internet-based social media platform to discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body. A member of the legislative body shall not respond directly to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the legislative body that is made, posted, or shared by any other member of the legislative body.

(B) For purposes of this paragraph, all of the following definitions shall apply:

(i) “Discuss among themselves” means communications made, posted, or shared on an internet-based social media platform between members of a legislative body, including comments or use of digital icons that express reactions to communications made by other members of the legislative body.

(ii) “Internet-based social media platform” means an online service that is open and accessible to the public.

(iii) “Open and accessible to the public” means that members of the general public have the ability to access and participate, free of charge, in the social media platform without the approval by the social media platform or a person or entity other than the social media platform, including any forum and chatroom, and cannot be blocked from doing so, except when the internet-based social media platform determines that an individual violated its protocols or rules.

(c) Nothing in this section shall impose the requirements of this chapter upon any of the following:

(1) Individual contacts or conversations between a member of a legislative body and any other person that do not violate subdivision (b).

(2) The attendance of a majority of the members of a legislative body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency. Nothing in this paragraph is intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

(3) The attendance of a majority of the members of a legislative body at an open and publicized meeting organized to address a topic of local community concern by a person or organization other than the local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(4) The attendance of a majority of the members of a legislative body at an open and noticed meeting of another body of the local agency, or at an open and noticed meeting of a legislative body of another local agency, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(5) The attendance of a majority of the members of a legislative body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body of the local agency.

(6) The attendance of a majority of the members of a legislative body at an open and noticed meeting of a standing committee of that body, provided that the members of the legislative body who are not members of the standing committee attend only as observers.

(Amended (as amended by Stats. 2020, Ch. 89, Sec. 1) by Stats. 2025, Ch. 327, Sec. 1. (SB 707) Effective January 1, 2026.)

54952.3. (a) A legislative body that has convened a meeting and whose membership constitutes a quorum of any other legislative body may convene a meeting of that other legislative body, simultaneously or in serial order, only if a clerk or a member of the convened legislative body verbally announces, prior to convening any simultaneous or serial order meeting of that subsequent legislative body, the amount of compensation or stipend, if any, that each member will be entitled to receive as a

result of convening the simultaneous or serial meeting of the subsequent legislative body and identifies that the compensation or stipend shall be provided as a result of convening a meeting for which each member is entitled to collect compensation or a stipend. However, the clerk or member of the legislative body shall not be required to announce the amount of compensation if the amount of compensation is prescribed in statute and no additional compensation has been authorized by a local agency.

(b) For purposes of this section, compensation and stipend shall not include amounts reimbursed for actual and necessary expenses incurred by a member in the performance of the member's official duties, including, but not limited to, reimbursement of expenses relating to travel, meals, and lodging.

(Added by Stats. 2011, Ch. 91, Sec. 1. (AB 23) Effective January 1, 2012.)

54952.6. As used in this chapter, "action taken" means a collective decision made by a majority of the members of a legislative body, a collective commitment or promise by a majority of the members of a legislative body to make a positive or a negative decision, or an actual vote by a majority of the members of a legislative body when sitting as a body or entity, upon a motion, proposal, resolution, order or ordinance.

(Added by Stats. 1961, Ch. 1671.)

54952.7. A local agency shall provide a copy of this chapter to any person elected or appointed to serve as a member of a legislative body of the local agency.

(Amended by Stats. 2025, Ch. 327, Sec. 3. (SB 707) Effective January 1, 2026.)

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. If the legislative body of a local agency elects to use teleconferencing, the legislative body of a local agency shall comply with all of the following:

(A) All votes taken during a teleconferenced meeting shall be by rollcall.

(B) The teleconferenced meetings shall be conducted in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency.

(C) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(D) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of

the public to address the legislative body directly pursuant to Section 54954.3.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as expressly provided in this chapter.

(4) The teleconferencing requirements of this subdivision shall not apply to remote participation described in subdivision (c).

(Amended (as amended by Stats. 2023, Ch. 534, Sec. 2) by Stats. 2025, Ch. 327, Sec. 4. (SB 707) Effective January 1, 2026.)

(Added by Stats. 1979, Ch. 950.)

54953.2. All meetings of a legislative body of a local agency that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

(Amended by Stats. 1981, Ch. 968, Sec. 28.)

54953.4. (a) The Legislature finds and declares that public access, including through translation of agendas as required by this section, is necessary for an informed populace. The Legislature encourages local agencies to adopt public access requirements that exceed the requirements of this chapter by translating additional languages, employing human translators, and conducting additional outreach.

(b) (1) In addition to any other applicable requirements of this chapter, a meeting held by a eligible legislative body pursuant to this chapter shall comply with both of the following requirements:

(A) (i) (I) (ia) All open and public meetings shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform, except if adequate telephonic or internet service is not operational at the meeting location. If adequate telephonic or internet service is operational at the meeting location during only a portion of the meeting, the legislative body shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform during that portion of the meeting.

(ib) (Ia) On or before July 1, 2026, an eligible legislative body shall approve at a noticed public meeting in open session, not on the consent calendar, a policy regarding disruption of telephonic or internet service occurring during meetings subject to this sub-subclause. The policy shall address the procedures for recessing and reconvening a meeting in the event of disruption and the efforts that the eligible legislative body shall make to attempt to restore the service.

(Ib) If a disruption of telephonic or internet service that prevents members of the public from attending or observing the meeting via the two-way telephonic service or two-way audiovisual platform occurs during the meeting, the eligible legislative body shall recess the open session of the meeting for at least one hour and make a good faith attempt to restore the service. The eligible legislative body may meet in closed session during this period. The eligible legislative body shall not reconvene the open session of the meeting until at least one hour following the disruption, or until telephonic or internet service is restored, whichever is earlier.

(Ic) Upon reconvening the open session, if telephonic or internet service has not been restored, the eligible legislative body shall adopt a finding by rollcall vote that good faith efforts to restore the telephonic or internet service have been made in accordance with the policy adopted pursuant to sub-sub-subclause (Ia) and that the public interest in continuing the meeting outweighs the public interest in remote public access.

(II) Subclause (I) does not apply to a meeting that is held to do any of the following:

(ib) Inspect real or personal property provided that the topic of the meeting is limited to items directly related to the real or personal property.

(2) (A) An eligible legislative body shall reasonably assist members of the public who wish to translate a public meeting into any language or wish to receive interpretation provided by another member of the public, so long as the interpretation is not disrupting to the meeting, as defined in Section 54957.95. The eligible legislative body shall publicize instructions on how to request assistance under this subdivision. Assistance may include any of the following, as determined by the eligible legislative body:

(i) Arranging space for one or more interpreters at the meeting location.

(C) The eligible legislative body is not responsible for the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision. An action shall not be commenced or maintained against the eligible legislative body arising from the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision.

(ii) Legislative bodies shall have broad discretion in the choice of reasonable efforts they make under this subparagraph. No action shall be commenced or maintained against an eligible legislative body arising from failing to provide public meeting information to any specific group pursuant to this subparagraph.

(c) (1) (A) The agenda for each meeting of an eligible legislative body shall be translated into all applicable languages, and each translation shall be posted in accordance with Section 54954.2. Each translation shall include instructions in the applicable language describing how to join the meeting by the telephonic or internet-based service option, including any requirements for registration for public comment.

(B) The accessible internet webpage provided under subparagraph (B) of paragraph (3) of subdivision (b) shall be translated into all applicable languages, and each translation shall be accessible through a prominent direct link posted on the primary internet website home page of the eligible legislative body.

(2) A translation made using a digital translation service shall satisfy the requirements of paragraph (1).

(3) The eligible legislative body shall make available a physical location that is freely accessible to the public in reasonable proximity to the physical location in which the agenda and translations are posted as described in paragraph (1), and shall allow members of the public to post additional translations of the agenda in that location.

(4) The eligible legislative body is not responsible for the content or accuracy of any translation provided pursuant to this subdivision. (iv) The legislative body shall not take any action on any recommendations included in the report of a subsidiary body until the next regular meeting of the legislative body following the discussion described in clause (ii).

(C) After the legislative body makes the findings described in subparagraph (A), the eligible subsidiary body shall approve the use of teleconferencing by majority vote before using teleconference pursuant to this section.

(D) The legislative body that created the eligible subsidiary body may elect to prohibit the eligible subsidiary body from using teleconferencing pursuant to this section at any time.

(2) An eligible subsidiary body may include members who are elected officials, members who are not elected officials, or any combination thereof.

(c) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

(2) At least a quorum of the members of the eligible multijurisdictional body shall participate from one or more physical locations that are open to the public and within the boundaries of the territory over which the local agency exercises jurisdiction.

(3) A member of the eligible multijurisdictional body who receives compensation for their service on the eligible multijurisdictional body shall participate from a physical location that is open to the public. For purposes of this paragraph, “compensation” does not include reimbursement for actual and necessary expenses.

(4) A member of the eligible multijurisdictional body may participate from a remote location provided that:

(A) The eligible multijurisdictional body identifies each member of the eligible multijurisdictional body who plans to participate remotely in the agenda.

(B) The member shall participate through both audio and visual technology.

(5) A member of the eligible multijurisdictional body shall not participate in a meeting remotely pursuant to this section, unless the location from which the member participates is more than 20 miles each way from any physical location of the meeting described in paragraph (2).

(6) The provisions of this section shall not serve as a means for any member of a legislative body to participate in meetings of the legislative body solely by teleconference from a remote location for more than the following number of meetings, as applicable:

(A) Two meetings per year, if the legislative body regularly meets once per month or less.

(B) Five meetings per year, if the legislative body regularly meets twice per month.

(C) Seven meetings per year, if the legislative body regularly meets three or more times per month.

(D) For the purpose of counting meetings attended by teleconference under this paragraph, a “meeting” shall be defined as any number of meetings of the legislative body of a local agency that begin on the same calendar day.

(b) For the purposes of this section, both of the following definitions apply:

(1) “Eligible multijurisdictional body” means a multijurisdictional board, commission, or advisory body of a multijurisdictional, cross-county agency, the membership of which board, commission, or advisory body is appointed, and the board, commission, or advisory body is otherwise subject to this chapter.

(Added by Stats. 2025, Ch. 327, Sec. 15. (SB 707) Effective January 1, 2026. Repealed as of January 1, 2030, by its own provisions.)

54954. (a) Each legislative body of a local agency, except for advisory committees or standing committees, shall provide, by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body, the time and place for holding regular meetings. Meetings of advisory committees or standing committees, for which an agenda is posted at least 72 hours in advance of the meeting pursuant to subdivision (a) of Section 54954.2, shall be considered for purposes of this chapter as regular meetings of the legislative body.

(b) Regular and special meetings of the legislative body shall be held within the boundaries of the territory over which the local agency exercises jurisdiction, except to do any of the following:

(1) Comply with state or federal law or court order, or attend a judicial or administrative proceeding to which the local agency is a party.

(2) Inspect real or personal property which cannot be conveniently brought within the boundaries of the territory over which the local agency exercises jurisdiction provided that the topic of the meeting is

limited to items directly related to the real or personal property.

(3) Participate in meetings or discussions of multiagency significance that are outside the boundaries of a local agency's jurisdiction. However, any meeting or discussion held pursuant to this subdivision shall take place within the jurisdiction of one of the participating local agencies and be noticed by all participating agencies as provided for in this chapter.

(4) Meet in the closest meeting facility if the local agency has no meeting facility within the boundaries of the territory over which the local agency exercises jurisdiction, or at the principal office of the local agency if that office is located outside the territory over which the agency exercises jurisdiction.

(5) Meet outside their immediate jurisdiction with elected or appointed officials of the United States or the State of California when a local meeting would be impractical, solely to discuss a legislative or regulatory issue affecting the local agency and over which the federal or state officials have jurisdiction.

(6) Meet outside their immediate jurisdiction if the meeting takes place in or nearby a facility owned by the agency, provided that the topic of the meeting is limited to items directly related to the facility.

(7) Visit the office of the local agency's legal counsel for a closed session on pending litigation held pursuant to Section 54956.9, when to do so would reduce legal fees or costs.

(c) Meetings of the governing board of a school district shall be held within the district, except under the circumstances enumerated in subdivision (b), or to do any of the following:

However, a joint powers authority which has members throughout the state may meet at any facility in the state which complies with the requirements of Section 54961.

(e) If, by reason of fire, flood, earthquake, or other emergency, it shall be unsafe to meet in the place designated, the meetings shall be held for the duration of the emergency at the place designated by the presiding officer of the legislative body or his or her designee in a notice to the local media that have requested notice pursuant to Section 54956, by the most rapid means of communication available at the time.

(Amended by Stats. 2004, Ch. 257, Sec. 1. Effective January 1, 2005.)

54954.1. Any person may request that a copy of the agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. If a local agency has an internet website, the legislative body or its designee shall email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the item or items be delivered by email. If the local agency determines it is technologically infeasible to send a copy of all documents constituting the agenda packet or a link to a website that contains the documents by email or by

other electronic means, the legislative body or its designee shall send by mail a copy of the agenda or a website link to the agenda and mail a copy of all other documents constituting the agenda packet in accordance with the mailing requirements established pursuant to this section. If requested, the agenda and documents in the agenda packet shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Upon receipt of the written request, the legislative body or its designee shall cause the requested materials to be mailed at the time the agenda is posted pursuant to Section 54954.2 and 54956 or upon distribution to all, or a majority of all, of the members of a legislative body, whichever occurs first. Any request for mailed copies of agendas or agenda packets shall be valid for the calendar year in which it is filed, and must be renewed following January 1 of each year. The legislative body may establish a fee for mailing the agenda or agenda packet, which fee shall not exceed the cost of providing the service. Failure of the requesting person to receive the agenda or agenda packet pursuant to this section shall not constitute grounds for invalidation of the actions of the legislative body taken at the meeting for which the agenda or agenda packet was not received.

(Amended by Stats. 2021, Ch. 763, Sec. 1. (SB 274) Effective January 1, 2022.)

54954.2. (a) (1) At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda that meets all of the following requirements:

(A) The agenda shall contain a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words.

(B) The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public and on the local agency's internet website, if the local agency has one.

(C) (i) If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(ii) The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting.

(2) For a meeting occurring on and after January 1, 2019, of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an internet website, the following provisions shall apply:

(A) An online posting of an agenda shall be posted on the primary internet website home page of a city, county, city and county, special district, school district, or political subdivision established by the state that is accessible through a prominent, direct link to the current agenda. The direct link to the agenda shall not be in a contextual menu; however, a link in addition to the direct link to the agenda may be accessible through a contextual menu.

(B) An online posting of an agenda, including, but not limited to, an agenda posted in an integrated agenda management platform, shall be posted in an open format that meets all of the following requirements:

(i) Retrievable, downloadable, indexable, and electronically searchable by commonly used internet search applications.

(ii) Platform independent and machine readable.

(iii) Available to the public free of charge and without any restriction that would impede the reuse or redistribution of the agenda.

(C) A legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an internet website and an integrated agenda management platform shall not be required to comply with subparagraph (A) if all of the following are met:

(i) A direct link to the integrated agenda management platform shall be posted on the primary internet website home page of a city, county, city and county, special district, school district, or political subdivision established by the state. The direct link to the integrated agenda management platform shall not be in a contextual menu. When a person clicks on the direct link to the integrated agenda management platform, the direct link shall take the person directly to an internet website with the agendas of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state.

(ii) The integrated agenda management platform may contain the prior agendas of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state for all meetings occurring on or after January 1, 2019.

(iii) The current agenda of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state shall be the first agenda available at the top of the integrated agenda management platform.

(iv) All agendas posted in the integrated agenda management platform shall comply with the requirements in clauses (i), (ii), and (iii) of subparagraph (B).

(D) The provisions of this paragraph shall not apply to a political subdivision of a local agency that was established by the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state.

(E) For purposes of this paragraph, both of the following definitions apply:

(1) "Integrated agenda management platform" means an internet website of a city, county, city and county, special district, school district, or political subdivision established by the state dedicated to providing the entirety of the agenda information for the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state to the public.

(2) "Legislative body" means a legislative body that meets the definition of subdivision (a) of Section 54952.

(3) No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3. In addition, on their own initiative or in response to questions posed by the public, a member of a legislative body or its staff may ask a question

for clarification, make a brief announcement, or make a brief report on their own activities. Furthermore, a member of a legislative body, or the body itself, subject to rules or procedures of the legislative body, may provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

(b) Notwithstanding subdivision (a), the legislative body may take action on items of business not appearing on the posted agenda under any of the conditions stated below. Prior to discussing any item pursuant to this subdivision, the legislative body shall publicly identify the item.

(1) Upon a determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.

(2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the agenda being posted as specified in subdivision (a).

(3) The item was posted pursuant to subdivision (a) for a prior meeting of the legislative body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

(c) This section is necessary to implement and reasonably within the scope of paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(d) For purposes of subdivision (a), the requirement that the agenda be posted on the local agency's internet website, if the local agency has one, shall only apply to a legislative body that meets either of the following standards:

(1) A legislative body as that term is defined by subdivision (a) of Section 54952.

(2) A legislative body as that term is defined by subdivision (b) of Section 54952, if the members of the legislative body are compensated for their appearance, and if one or more of the members of the legislative body are also members of a legislative body as that term is defined by subdivision (a) of Section 54952.

(Amended (as amended by Stats. 2023, Ch. 131, Sec. 92) by Stats. 2025, Ch. 327, Sec. 16. (SB 707) Effective January 1, 2026.)

54954.3. (a) (1) Every agenda for regular meetings shall provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body's consideration of the item, that is within the subject matter jurisdiction of the legislative body, provided that no action shall be taken on any item not appearing on the agenda unless the action is otherwise authorized by subdivision (b) of Section 54954.2.

(2) (A) Notwithstanding paragraph (1), the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item.

(B) Subparagraph (A) shall not apply if any of the following conditions are met:

(i) The item has been substantially changed since the committee heard the item, as determined by the legislative body.

(ii) When considering the item, a quorum of the committee members did not participate from a singular physical location, that was clearly identified on the agenda, open to the public, and situated within the boundaries of the territory over which the local agency exercises jurisdiction.

(iii) The committee has primary subject matter jurisdiction, as defined by the charter, an ordinance, a resolution, or any formal action of the legislative body that created the subsidiary body, that focuses on elections, budgets, police oversight, privacy, removing from, or restricting access to, materials available in public libraries, or taxes or related spending proposals. This clause shall not apply to an item if the local agency has adopted a law applicable to the meeting of the committee at which the item that was considered prohibits the committee from placing a limit on the total amount of time for public comment on the item.

(3) Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

(b) (1) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.

(2) Notwithstanding paragraph (1), when the legislative body of a local agency limits time for public comment, the legislative body of a local agency shall provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the legislative body of a local agency.

(3) Paragraph (2) shall not apply if the legislative body of a local agency utilizes simultaneous translation equipment in a manner that allows the legislative body of a local agency to hear the translated public testimony simultaneously.

(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(Amended by Stats. 2025, Ch. 327, Sec. 17. (SB 707) Effective January 1, 2026.)

54954.4. (a) The Legislature hereby finds and declares that Section 12 of Chapter 641 of the Statutes of 1986, authorizing reimbursement to local agencies and school districts for costs mandated by the state pursuant to that act, shall be interpreted strictly. The intent of the Legislature is to provide reimbursement for only those costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986.

(b) In this regard, the Legislature directs all state employees and officials involved in reviewing or authorizing claims for reimbursement, or otherwise

participating in the reimbursement process, to rigorously review each claim and authorize only those claims, or parts thereof, which represent costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986 and for which complete documentation exists. For purposes of Section 54954.2, costs eligible for reimbursement shall only include the actual cost to post a single agenda for any one meeting.

(c) The Legislature hereby finds and declares that complete, faithful, and uninterrupted compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code) is a matter of overriding public importance. Unless specifically stated, no future Budget Act, or related budget enactments, shall, in any manner, be interpreted to suspend, eliminate, or otherwise modify the legal obligation and duty of local agencies to fully comply with Chapter 641 of the Statutes of 1986 in a complete, faithful, and uninterrupted manner.

(Added by Stats. 1991, Ch. 238, Sec. 1.)

(Amended by Stats. 2012, Ch. 759, Sec. 6.1. (AB 2690) Effective January 1, 2013.)

54954.6. (a) (1) Before adopting any new or increased general tax or any new or increased assessment, the legislative body of a local agency shall conduct at least one public meeting at which local officials shall allow public testimony regarding the proposed new or increased general tax or new or increased assessment in addition to the noticed public hearing at which the legislative body proposes to enact or increase the general tax or assessment.

For purposes of this section, the term "new or increased assessment" does not include any of the following:

(A) A fee that does not exceed the reasonable cost of providing the services, facilities, or regulatory activity for which the fee is charged.

(B) A service charge, rate, or charge, unless a special district's principal act requires the service charge, rate, or charge to conform to the requirements of this section.

(C) An ongoing annual assessment if it is imposed at the same or lower amount as any previous year.

(D) An assessment that does not exceed an assessment formula or range of assessments previously specified in the notice given to the public pursuant to subparagraph (G) of paragraph (2) of subdivision (c) and that was previously adopted by the agency or approved by the voters in the area where the assessment is imposed.

(E) Standby or immediate availability charges.

(2) The legislative body shall provide at least 45 days' public notice of the public hearing at which the legislative body proposes to enact or increase the general tax or assessment. The legislative body shall provide notice for the public meeting at the same time and in the same document as the notice for the public hearing, but the meeting shall occur prior to the hearing.

(b) (1) The joint notice of both the public meeting and the public hearing required by subdivision (a) with respect to a proposal for a new or increased general tax shall be accomplished by placing a display advertisement of at least one-eighth page in a newspaper of general circulation for three weeks pursuant to Section 6063 and by a first-class mailing to those interested parties who have filed a written request with the local agency for mailed notice of public meetings or hearings on new or increased general taxes. The public meeting pursuant to subdivision (a) shall take place no earlier than 10 days after the first publication of the joint notice pursuant to this subdivision. The public hearing shall take place no earlier than seven days after the public meeting pursuant to this subdivision. Notwithstanding paragraph (2) of subdivision (a), the joint notice need not include notice of the public meeting after the meeting has taken place. The public hearing pursuant to subdivision (a) shall take place no earlier than 45 days after the first publication of the joint notice pursuant to this subdivision. Any written request for mailed notices shall be effective for one year from the date on which it is filed unless a renewal request is filed. Renewal requests for mailed notices shall be filed on or before April 1 of each year. The legislative body may establish a reasonable annual charge for sending notices based on the estimated cost of providing the service.

(2) The notice required by paragraph (1) of this subdivision shall include, but not be limited to, the following:

(A) The amount or rate of the tax. If the tax is proposed to be increased from any previous year, the joint notice shall separately state both the existing tax rate and the proposed tax rate increase.

(B) The activity to be taxed.

(c) (1) The joint notice of both the public meeting and the public hearing required by subdivision (a) with respect to a proposal for a new or increased assessment on real property or businesses shall be accomplished through a mailing, postage prepaid, in the United States mail and shall be deemed given when so deposited. The public meeting pursuant to subdivision (a) shall take place no earlier than 10 days after the joint mailing pursuant to this subdivision. The public hearing shall take place no earlier than seven days after the public meeting pursuant

to this subdivision. The envelope or the cover of the mailing shall include the name of the local agency and the return address of the sender. This mailed notice shall be in at least 10-point type and shall be given to all property owners or business owners proposed to be subject to the new or increased assessment by a mailing by name to those persons whose names and addresses appear on the last equalized county assessment roll, the State Board of Equalization assessment roll, or the local agency's records pertaining to business ownership, as the case may be.

(A) In the case of an assessment proposed to be levied on property, the estimated amount of the assessment per parcel. In the case of an assessment proposed to be levied on businesses, the proposed method and basis of levying the assessment in sufficient detail to allow each business owner to calculate the amount of assessment to be levied against each business. If the assessment is proposed to be increased from any previous year, the joint notice shall separately state both the amount of the existing assessment and the proposed assessment increase.

(B) A general description of the purpose or improvements that the assessment will fund.

(C) The address to which property owners may mail a protest against the assessment.

(D) The telephone number and address of an individual, office, or organization that interested persons may contact to receive additional information about the assessment.

(E) A statement that a majority protest will cause the assessment to be abandoned if the assessment act used to levy the assessment so provides. Notice shall also state the percentage of protests required to trigger an election, if applicable.

(F) The dates, times, and locations of the public meeting and hearing described in subdivision (a).

(G) A proposed assessment formula or range as described in subparagraph (D) of paragraph (1) of subdivision (a) if applicable and that is noticed pursuant to this section.

(4) Notwithstanding paragraph (1), in the case of an assessment proposed to be levied pursuant to Part 2 (commencing with Section 22500) of Division 2 of the Streets and Highways Code by a regional park district, regional park and open-space district, or regional open-space district formed pursuant to Article 3 (commencing with Section 5500) of Chapter 3 of Division 5 of, or pursuant to Division 26 (commencing with Section 35100) of, the Public Resources Code, notice may be provided pursuant to paragraph (1) of subdivision (b).

(d) The notice requirements imposed by this section shall be construed as additional to, and not to supersede, existing provisions of law, and shall be applied concurrently with the existing provisions so as to not

delay or prolong the governmental decisionmaking process.

(e) This section shall not apply to any new or increased general tax or any new or increased assessment that requires an election of either of the following:

(1) The property owners subject to the assessment.

(2) The voters within the local agency imposing the tax or assessment.

(f) Nothing in this section shall prohibit a local agency from holding a consolidated meeting or hearing at which the legislative body discusses multiple tax or assessment proposals.

(g) The local agency may recover the reasonable costs of public meetings, public hearings, and notice required by this section from the proceeds of the tax or assessment. The costs recovered for these purposes, whether recovered pursuant to this subdivision or any other provision of law, shall not exceed the reasonable costs of the public meetings, public hearings, and notice.

(h) Any new or increased assessment that is subject to the notice and hearing provisions of Article XIII C or XIII D of the California Constitution is not subject to the notice and hearing requirements of this section.

(Amended by Stats. 2011, Ch. 382, Sec. 3.5. (SB 194) Effective January 1, 2012.)

54955. The legislative body of a local agency may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the legislative body may declare the meeting adjourned to a stated time and place and he shall cause a written notice of the adjournment to be given in the same manner as provided in Section 54956 for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

(Amended by Stats. 1959, Ch. 647.)

54955.1. Any hearing being held, or noticed or ordered to be held, by a legislative body of a local agency at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the legislative body in the same manner and to the same extent set forth in Section 54955 for the adjournment of meetings; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(Added by Stats. 1965, Ch. 469.)

54956. (a) (1) A special meeting may be called at any time by the presiding officer of the legislative body of a local agency, or by a majority of the members of the legislative body, by delivering written notice to each member of the legislative body and to each local newspaper of general circulation and radio or television station requesting notice in writing and posting a notice on the local agency's internet website, if the local agency has one. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the legislative body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the legislative body a written waiver of notice. The waiver may be given by telephone or electronic mail. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

(2) The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public.

(b) Notwithstanding any other law, a legislative body shall not call a special meeting regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits, of the legislative body or of a local agency executive, as defined in subdivision (d) of Section 3511.1. However, this subdivision does not apply to a local agency calling a special meeting to discuss the local agency's budget.

(Amended by Stats. 2025, Ch. 327, Sec. 18. (SB 707) Effective January 1, 2026.)

54956.5. (a) For purposes of this section, "emergency situation" means both of the following:

(1) An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.

(2) A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring a legislative body to provide one-hour notice before holding an emergency meeting under this section may endanger the public health, safety, or both, as determined by a majority of the members of the legislative body.

(b) (1) Subject to paragraph (2), in the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a legislative body may hold an emergency meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement of Section 54956 or both of the notice and posting requirements.

(2) Each local newspaper of general circulation and radio or television station that has requested notice of special meetings pursuant to Section 54956 shall be notified by the presiding officer of the legislative body, or designee thereof, one hour prior to the emergency meeting, or, in the case of a dire emergency, at or near the time that the presiding officer or designee notifies the members of the legislative body of the emergency meeting.

(A) Except as provided in subparagraph (B), the notice required by this

paragraph shall be given by telephone and all telephone numbers provided in the most recent request of a newspaper or station for notification of special meetings shall be exhausted. In the event that telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(B) For an emergency meeting held pursuant to this section, the presiding officer of the legislative body, or designee thereof, may send the notifications required by this paragraph by email instead of by telephone, as provided in subparagraph (A), to all local newspapers of general circulation, and radio or television stations, that have requested those notifications by email, and all email addresses provided by representatives of those newspapers or stations shall be exhausted. In the event that internet services and telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(c) During a meeting held pursuant to this section, the legislative body may meet in closed session pursuant to Section 54957 if agreed to by a two-thirds vote of the members of the legislative body present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present.

(d) All special meeting requirements, as prescribed in Section 54956 shall be applicable to a meeting called pursuant to this section, with the exception of the 24-hour notice requirement.

(e) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the legislative body, or designee of the legislative body, notified or attempted to notify, a copy of the rollcall vote, and any actions taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

(Amended by Stats. 2025, Ch. 327, Sec. 19. (SB 707) Effective January 1, 2026.)

54956.6. No fees may be charged by the legislative body of a local agency for carrying out any provision of this chapter, except as specifically authorized by this chapter.

(Added by Stats. 1980, Ch. 1284.)

54956.7. Whenever a legislative body of a local agency determines that it is necessary to discuss and determine whether an applicant for a license or license renewal, who has a criminal record, is sufficiently rehabilitated to obtain the license, the legislative body may hold a closed session with the applicant and the applicant's attorney, if any, for the purpose of holding the discussion and making the determination. If the legislative body determines, as a result of the closed session, that the issuance or renewal of the license should be denied, the applicant shall be offered the opportunity to withdraw the application. If the applicant withdraws the application, no record shall be kept of the discussions or decisions made at the closed session and all matters relating to the

closed session shall be confidential. If the applicant does not withdraw the application, the legislative body shall take action at the public meeting during which the closed session is held or at its next public meeting denying the application for the license but all matters relating to the closed session are confidential and shall not be disclosed without the consent of the applicant, except in an action by an applicant who has been denied a license challenging the denial of the license.

(Added by Stats. 1982, Ch. 298, Sec. 1.)

54956.75. (a) Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

(b) After the public release of an audit report by the Bureau of State Audits, if a legislative body of a local agency meets to discuss the audit report, it shall do so in an open session unless exempted from that requirement by some other provision of law.

(Added by Stats. 2004, Ch. 576, Sec. 4. Effective January 1, 2005.)

54956.8. Notwithstanding any other provision of this chapter, a legislative body of a local agency may hold a closed session with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the local agency to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its negotiators, the real property or real properties which the negotiations may concern, and the person or persons with whom its negotiators may negotiate.

For purposes of this section, negotiators may be members of the legislative body of the local agency.

For purposes of this section, "lease" includes renewal or renegotiation of a lease.

Nothing in this section shall preclude a local agency from holding a closed session for discussions regarding eminent domain proceedings pursuant to Section 54956.9.

(Amended by Stats. 1998, Ch. 260, Sec. 3. Effective January 1, 1999.)

54956.81. Notwithstanding any other provision of this chapter, a legislative body of a local agency that invests pension funds may hold a closed session to consider the purchase or sale of particular, specific pension fund investments. All investment transaction decisions made during the closed session shall be made by rollcall vote entered into the minutes of the closed session as provided in subdivision (a) of Section 54957.2.

(Added by Stats. 2004, Ch. 533, Sec. 20. Effective January 1, 2005.)

54956.86. Notwithstanding any other provision of this chapter, a legislative body of a local agency which provides services pursuant to Section 14087.3 of the Welfare and Institutions Code may hold a closed session to hear a charge or complaint from a member enrolled in its health plan if the member does not wish to have his or her name, medical status,

or other information that is protected by federal law publicly disclosed. Prior to holding a closed session pursuant to this section, the legislative body shall inform the member, in writing, of his or her right to have the charge or complaint heard in an open session rather than a closed session.

(Added by Stats. 1996, Ch. 182, Sec. 2. Effective January 1, 1997.)

54956.87. (a) Notwithstanding any other provision of this chapter, the records of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors, whether paper records, records maintained in the management information system, or records in any other form, that relate to provider rate or payment determinations, allocation or distribution methodologies for provider payments, formulas or calculations for these payments, and contract negotiations with providers of health care for alternative rates are exempt from disclosure for a period of three years after the contract is fully executed. The transmission of the records, or the information contained therein in an alternative form, to the board of supervisors shall not constitute a waiver of exemption from disclosure, and the records and information once transmitted to the board of supervisors shall be subject to this same exemption.

(b) Notwithstanding any other provision of law, the governing board of a health plan that is licensed pursuant to the Knox-Keene Health Care Service Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code) and that is governed by a county board of supervisors may order that a meeting held solely for the purpose of discussion or taking action on health plan trade secrets, as defined in subdivision (f), shall be held in closed session. The requirements of making a public report of action taken in closed session, and the vote or abstention of every member present, may be limited to a brief general description without the information constituting the trade secret.

(c) Notwithstanding any other provision of law, the governing board of a health plan may meet in closed session to consider and take action on matters pertaining to contracts and contract negotiations by the health plan with providers of health care services concerning all matters related to rates of payment. The governing board may delete the portion or portions containing trade secrets from any documents that were finally approved in the closed session held pursuant to subdivision (b) that are provided to persons who have made the timely or standing request.

(d) Nothing in this section shall be construed as preventing the governing board from meeting in closed session as otherwise provided by law.

(e) The provisions of this section shall not prevent access to any records by the Joint Legislative Audit Committee in the exercise of its powers pursuant to Article 1 (commencing with Section 10500) of Chapter 4 of Part 2 of Division 2 of Title 2. The provisions of this section also shall not prevent access to any records by the Department of Managed Health Care in the exercise of its powers pursuant to Article 1 (commencing with Section 1340) of Chapter 2.2 of Division 2 of the Health and Safety Code.

(f) For purposes of this section, "health plan trade secret" means a trade secret, as defined in subdivision (d) of Section 3426.1 of the Civil Code, that also meets both of the following criteria:

(1) The secrecy of the information is necessary for the health plan to

initiate a new service, program, marketing strategy, business plan, or technology, or to add a benefit or product.

(2) Premature disclosure of the trade secret would create a substantial probability of depriving the health plan of a substantial economic benefit or opportunity.

(Amended by Stats. 2015, Ch. 190, Sec. 65. (AB 1517) Effective January 1, 2016.)

54956.9. (a) Nothing in this chapter shall be construed to prevent a legislative body of a local agency, based on advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the local agency in the litigation.

(b) For purposes of this chapter, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this chapter.

(c) For purposes of this section, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(d) For purposes of this section, litigation shall be considered pending when any of the following circumstances exist:

(1) Litigation, to which the local agency is a party, has been initiated formally.

(2) A point has been reached where, in the opinion of the legislative body of the local agency on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the local agency.

(3) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (2).

(4) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation.

(e) For purposes of paragraphs (2) and (3) of subdivision (d), "existing facts and circumstances" shall consist only of one of the following:

(1) Facts and circumstances that might result in litigation against the local agency but which the local agency believes are not yet known to a potential plaintiff or plaintiffs, which facts and circumstances need not be disclosed.

(2) Facts and circumstances, including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the agency and that are known to a potential plaintiff or plaintiffs, which facts or circumstances shall be publicly stated on the agenda or announced.

(3) The receipt of a claim pursuant to the Government Claims Act (Division 3.6 (commencing with Section 810) of Title 1 of the Government Code) or some other written communication from a potential plaintiff threatening litigation, which claim or communication shall be available for public inspection pursuant to Section 54957.5.

(4) A statement made by a person in an open and public meeting threatening litigation on a specific matter within the responsibility of the legislative body.

(5) A statement threatening litigation made by a person outside an open and public meeting on a specific matter within the responsibility of the legislative body so long as the official or employee of the local agency receiving knowledge of the threat makes a contemporaneous or other record of the statement prior to the meeting, which record shall be available for public inspection pursuant to Section 54957.5. The records so created need not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on their behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed.

(f) Nothing in this section shall require disclosure of written communications that are privileged and not subject to disclosure pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1).

(g) Prior to holding a closed session pursuant to this section, the legislative body of the local agency shall state on the agenda or publicly announce the paragraph of subdivision (d) that authorizes the closed session. If the session is closed pursuant to paragraph (1) of subdivision (d), the body shall state the title of or otherwise specifically identify the litigation to be discussed, unless the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(h) A local agency shall be considered to be a "party" or to have a "significant exposure to litigation" if an officer or employee of the local agency is a party or has significant exposure to litigation concerning prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation in which it is an issue whether an activity is outside the course and scope of the office or employment.

(Amended by Stats. 2021, Ch. 615, Sec. 206. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54956.95. (a) Nothing in this chapter shall be construed to prevent a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, for purposes of insurance pooling, or a local agency member of the joint powers agency, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the joint powers agency or a local agency member of the joint powers agency.

(b) Nothing in this chapter shall be construed to prevent the Local Agency Self-Insurance Authority formed pursuant to Chapter 5.5 (commencing with Section 6599.01) of Division 7 of Title 1, or a local agency member of the authority, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the authority or a local agency member of the authority.

(c) Nothing in this section shall be construed to affect Section 54956.9 with respect to any other local agency.

(Added by Stats. 1989, Ch. 882, Sec. 3.)

54956.96. (a) Nothing in this chapter shall be construed to prevent the legislative body of a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, from adopting a policy or a bylaw or including in its joint powers agreement provisions that authorize either or both of the following:

(1) All information received by the legislative body of the local agency member in a closed session related to the information presented to the joint powers agency in closed session shall be confidential. However, a member of the legislative body of a local agency member may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(B) Other members of the legislative body of the local agency present in a closed session of that local agency member.

(2) Any designated alternate member of the legislative body of the joint powers agency who is also a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the joint powers agency in lieu of a local agency member's regularly appointed member to attend closed sessions of the joint powers agency.

(b) (1) In addition to the authority described in subdivision (a), the Clean Power Alliance of Southern California, or its successor entity, may adopt a policy or a bylaw or include in its joint powers agreement a provision that authorizes both of the following:

(A) A designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the Clean Power Alliance of Southern California, or its successor entity, in lieu of a local agency member's regularly appointed member, to attend closed sessions of the Clean Power Alliance of Southern California, or its successor entity.

(B) All information that is received by a designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member, and that is presented to the Clean Power Alliance of Southern California, or its successor entity, in closed session, shall be confidential. However, the designated alternate member may disclose information obtained in a closed session that has direct financial or liability implications for the local agency member for which the designated alternate member attended the closed session, to the following individuals:

(i) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(ii) Members of the legislative body of the local agency present in a closed session of that local agency member.

(2) If the Clean Power Alliance of Southern California, or its successor

entity, adopts a policy or bylaw or includes in its joint powers agreement a provision authorized pursuant to paragraph (1), the Clean Power Alliance of Southern California, or its successor entity, shall establish policies to prevent conflicts of interest and to address breaches of confidentiality that apply to a designated alternate member who is not a member of the legislative body of a local agency member who attends a closed session of the Clean Power Alliance of Southern California, or its successor entity.

(c) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a) or (b), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a) or paragraph (1) of subdivision (b).

(d) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

(Amended (as amended by Stats. 2019, Ch. 248, Sec. 1) by Stats. 2024, Ch. 24, Sec. 1. (AB 1852) Effective January 1, 2025. Repealed as of January 1, 2030, by its own provisions. See later operative version, as amended by Sec. 2 of Stats. 2024, Ch. 24.)

(b) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a).

(c) This section shall become operative on January 1, 2030.

(Amended (as added by Stats. 2019, Ch. 248, Sec. 2) by Stats. 2024, Ch. 24, Sec. 2. (AB 1852) Effective January 1, 2025. Section operative January 1, 2030, by its own provisions.)

(Added by Stats. 2019, Ch. 442, Sec. 14. (AB 857) Effective January 1, 2020.)

(2) "Public bank" has the same meaning as defined in Section 57600.

(b) The governing board of a public bank may adopt a policy or a bylaw or include in its governing documents provisions that authorize any of the following:

(1) All information received by a shareholder, member, or owner of the public bank in a closed session related to the information presented to the governing board of a public bank in closed session shall be confidential. However, a member of the governing board of a shareholder, member, or owner local agency may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that shareholder, member, or owner local agency for purposes of obtaining advice on whether the matter has direct financial or liability implications for that shareholder local agency.

(Added by Stats. 2019, Ch. 442, Sec. 15. (AB 857) Effective January 1, 2020.)

54957. (a) (1) This chapter does not prevent the legislative body of a local agency from holding closed sessions with the Governor, Attorney General, district attorney, agency counsel, sheriff, or chief of police, or other law enforcement or security personnel, or a security consultant or

a security operations manager, on matters posing a threat to the security of public buildings, a threat to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service, a threat to the public's right of access to public services or public facilities, or a threat to critical infrastructure controls or critical infrastructure information relating to cybersecurity.

(2) For purposes of this subdivision, the following definitions apply:

(A) "Critical infrastructure controls" means networks and systems controlling assets so vital to the local agency that the incapacity or destruction of those networks, systems, or assets would have a debilitating impact on public health, safety, economic security, or any combination thereof.

(B) "Critical infrastructure information" means information not customarily in the public domain pertaining to any of the following:

(i) Actual, potential, or threatened interference with, or an attack on, compromise of, or incapacitation of critical infrastructure controls by either physical or computer-based attack or other similar conduct, including, but not limited to, the misuse of, or unauthorized access to, all types of communications and data transmission systems, that violates federal, state, or local law or harms public health, safety, or economic security, or any combination thereof.

(ii) The ability of critical infrastructure controls to resist any interference, compromise, or incapacitation, including, but not limited to, any planned or past assessment or estimate of the vulnerability of critical infrastructure.

(iii) Any planned or past operational problem or solution regarding critical infrastructure controls, including, but not limited to, repair, recovery, reconstruction, insurance, or continuity, to the extent it is related to interference, compromise, or incapacitation of critical infrastructure controls.

(b) (1) Subject to paragraph (2), this chapter does not prevent the legislative body of a local agency from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, discipline, or dismissal of a public employee or to hear complaints or charges brought against the employee by another person or employee unless the employee requests a public session.

(2) As a condition to holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of their right to have the complaints or charges heard in an open session rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding the session. If notice is not given, any disciplinary or other action taken by the legislative body against the employee based on the specific complaints or charges in the closed session shall be null and void.

(3) The legislative body also may exclude from the public or closed meeting, during the examination of a witness, any or all other witnesses in the matter being investigated by the legislative body.

(4) For the purposes of this subdivision, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee but shall not include any elected official, member of a legislative body or other independent contractors. This subdivision shall not limit local officials' ability to hold closed session meetings pursuant to Sections 1461, 32106, and 32155 of the Health and Safety Code or

Sections 37606 and 37624.3 of the Government Code. Closed sessions held pursuant to this subdivision shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline.

(Amended by Stats. 2024, Ch. 243, Sec. 1. (AB 2715) Effective January 1, 2025.)

54957.1. (a) The legislative body of any local agency shall publicly report any action taken in closed session and the vote or abstention on that action of every member present, as follows:

(1) Approval of an agreement concluding real estate negotiations pursuant to Section 54956.8 shall be reported after the agreement is final, as follows:

(A) If its own approval renders the agreement final, the body shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with the other party to the negotiations, the local agency shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the local agency of its approval.

(2) Approval given to its legal counsel to defend, or seek or refrain from seeking appellate review or relief, or to enter as an amicus curiae in any form of litigation as the result of a consultation under Section 54956.9 shall be reported in open session at the public meeting during which the closed session is held. The report shall identify, if known, the adverse party or parties and the substance of the litigation. In the case of approval given to initiate or intervene in an action, the announcement need not identify the action, the defendants, or other particulars, but shall specify that the direction to initiate or intervene in an action has been given and that the action, the defendants, and the other particulars shall, once formally commenced, be disclosed to any person upon inquiry, unless to do so would jeopardize the agency's ability to effectuate service of process on one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(3) Approval given to its legal counsel of a settlement of pending litigation, as defined in Section 54956.9, at any stage prior to or during a judicial or quasi-judicial proceeding shall be reported after the settlement is final, as follows:

(A) If the legislative body accepts a settlement offer signed by the opposing party, the body shall report its acceptance and identify the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with some other party to the litigation or with the court, then as soon as the settlement becomes final, and upon inquiry by any person, the local agency shall disclose the fact of that approval, and identify the substance of the agreement.

(4) Disposition reached as to claims discussed in closed session pursuant to Section 54956.95 shall be reported as soon as reached in a manner that identifies the name of the claimant, the name of the local agency claimed against, the substance of the claim, and any monetary amount approved for payment and agreed upon by the claimant.

(5) Action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a public employee in closed

session pursuant to Section 54957 shall be reported at the public meeting during which the closed session is held. Any report required by this paragraph shall identify the title of the position. The general requirement of this paragraph notwithstanding, the report of a dismissal or of the nonrenewal of an employment contract shall be deferred until the first public meeting following the exhaustion of administrative remedies, if any.

(6) Approval of an agreement concluding labor negotiations with represented employees pursuant to Section 54957.6 shall be reported after the agreement is final and has been accepted or ratified by the other party. The report shall identify the item approved and the other party or parties to the negotiation.

(7) Pension fund investment transaction decisions made pursuant to Section 54956.81 shall be disclosed at the first open meeting of the legislative body held after the earlier of the close of the investment transaction or the transfer of pension fund assets for the investment transaction.

(b) Reports that are required to be made pursuant to this section may be made orally or in writing. The legislative body shall provide to any person who has submitted a written request to the legislative body within 24 hours of the posting of the agenda, or to any person who has made a standing request for all documentation as part of a request for notice of meetings pursuant to Section 54954.1 or 54956, if the requester is present at the time the closed session ends, copies of any contracts, settlement agreements, or other documents that were finally approved or adopted in the closed session. If the action taken results in one or more substantive amendments to the related documents requiring retyping, the documents need not be released until the retyping is completed during normal business hours, provided that the presiding officer of the legislative body or his or her designee orally summarizes the substance of the amendments for the benefit of the document requester or any other person present and requesting the information.

(c) The documentation referred to in subdivision (b) shall be available to any person on the next business day following the meeting in which the action referred to is taken or, in the case of substantial amendments, when any necessary retyping is complete.

(d) Nothing in this section shall be construed to require that the legislative body approve actions not otherwise subject to legislative body approval.

(e) No action for injury to a reputational, liberty, or other personal interest may be commenced by or on behalf of any employee or former employee with respect to whom a disclosure is made by a legislative body in an effort to comply with this section.

(f) This section is necessary to implement, and reasonably within the scope of, paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(Amended by Stats. 2006, Ch. 538, Sec. 311. Effective January 1, 2007.)

54957.2. (a) The legislative body of a local agency may, by ordinance or resolution, designate a clerk or other officer or employee of the local agency who shall then attend each closed session of the legislative body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be kept confidential. The minute book

shall be available only to members of the legislative body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction wherein the local agency lies. The minute book may, but need not, consist of a recording of the closed session.

(b) An elected legislative body of a local agency may require that each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body keep a minute book as prescribed under subdivision (a).

(Amended by Stats. 2021, Ch. 615, Sec. 207. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54957.5. (a) Agendas of public meetings are disclosable public records under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be made available upon request without delay and in compliance with Section 54954.2 or Section 54956, as applicable. However, this section shall not apply to a writing, or portion thereof, that is exempt from public disclosure.

(b) (1) If a writing is a public record related to an agenda item for an open session of a regular meeting of the legislative body of a local agency and is distributed to all, or a majority of all, of the members of a legislative body of a local agency by a person in connection with a matter subject to discussion or consideration at an open meeting of the body less than 72 hours before that meeting, the writing shall be made available for public inspection pursuant to paragraph (2) at the time the writing is distributed to all, or a majority of all, of the members of the body.

(2) (A) Except as provided in subparagraph (B), a local agency shall comply with both of the following requirements:

(i) A local agency shall make any writing described in paragraph (1) available for public inspection at a public office or location that the agency shall designate for this purpose.

(ii) A local agency shall list the address of the office or location designated pursuant to clause (i) on the agendas for all meetings of the legislative body of that agency.

(B) A local agency shall not be required to comply with the requirements of subparagraph (A) if all of the following requirements are met:

(i) An initial staff report or similar document containing an executive summary and the staff recommendation, if any, relating to that agenda item is made available for public inspection at the office or location designated pursuant to clause (i) of subparagraph (A) at least 72 hours before the meeting.

(ii) The local agency immediately posts any writing described in paragraph (1) on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

(iii) The local agency lists the web address of the local agency's internet website on the agendas for all meetings of the legislative body of that agency.

(iv) (I) Subject to subclause (II), the local agency makes physical copies available for public inspection, beginning the next regular business hours for the local agency, at the office or location designated pursuant to clause (i) of subparagraph (A).

(II) This clause is satisfied only if the next regular business hours of the local agency commence at least 24 hours before that meeting.

(c) Writings that are public records described in subdivision (b) and distributed during a public meeting shall be made available for public inspection at the meeting if prepared by the local agency or a member of its legislative body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats upon request by a person with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(d) This chapter shall not be construed to prevent the legislative body of a local agency from charging a fee or deposit for a copy of a public record pursuant to Section 7922.530, except that a surcharge shall not be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(e) This section shall not be construed to limit or delay the public's right to inspect or obtain a copy of any record required to be disclosed under the requirements of the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), including, but not limited to, the ability of the public to inspect public records pursuant to Section 7922.525 and obtain copies of public records pursuant to either subdivision (b) of Section 7922.530 or Section 7922.535. This chapter shall not be construed to require a legislative body of a local agency to place any paid advertisement or any other paid notice in any publication.

(Amended (as amended by Stats. 2021, Ch. 615, Sec. 208) by Stats. 2022, Ch. 971, Sec. 1. (AB 2647) Effective January 1, 2023.)

54957.6. (a) Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions with the local agency's designated representatives regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation, subject to all of the following conditions:

(1) Prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its designated representatives.

(2) The closed session shall be for the purpose of reviewing its position and instructing the local agency's designated representatives.

(3) The closed session may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees.

(4) Any closed session with the local agency's designated representative regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussion of an agency's available funds and funding priorities, but only insofar as these discussions relate to providing instructions to the local agency's designated representative.

(5) The closed session shall not include final action on the proposed compensation of one or more unrepresented employees.

(6) For the purposes enumerated in this section, a legislative body of a local agency may also meet with a state conciliator who has intervened in the proceedings.

(b) For the purposes of this section, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee, but shall not include any elected official, member of a legislative body, or other independent contractors.

(Amended by Stats. 2025, Ch. 327, Sec. 20. (SB 707) Effective January 1, 2026.)

54957.7. (a) Prior to holding any closed session, the legislative body of the local agency shall disclose, in an open meeting, the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. In the closed session, the legislative body may consider only those matters covered in its statement. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal law.

(b) After any closed session, the legislative body shall reconvene into open session prior to adjournment and shall make any disclosures required by Section 54957.1 of action taken in the closed session.

(c) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcements.

(Amended by Stats. 1993, Ch. 1137, Sec. 15. Effective January 1, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 1137.)

54957.8. (a) For purposes of this section, "multijurisdictional law enforcement agency" means a joint powers entity formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 that provides law enforcement services for the parties to the joint powers agreement for the purpose of investigating criminal activity involving drugs; gangs; sex crimes; firearms trafficking or felony possession of a firearm; high technology, computer, or identity theft; human trafficking; or vehicle theft.

(b) Nothing contained in this chapter shall be construed to prevent the legislative body of a multijurisdictional law enforcement agency, or an advisory body of a multijurisdictional law enforcement agency, from holding closed sessions to discuss the case records of any ongoing criminal investigation of the multijurisdictional law enforcement agency or of any party to the joint powers agreement, to hear testimony from persons involved in the investigation, and to discuss courses of action in particular cases.

(Amended by Stats. 2006, Ch. 427, Sec. 1. Effective September 22, 2006.)

54957.9. In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a

procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting.

(Amended by Stats. 2025, Ch. 327, Sec. 21. (SB 707) Effective January 1, 2026.)

54957.95. (a) (1) In addition to authority exercised pursuant to Sections 54954.3 and 54957.9, the presiding member of the legislative body conducting a meeting or their designee may remove, or cause the removal of, an individual for disrupting the meeting, including any teleconferenced meeting.

(2) Prior to removing an individual, the presiding member or their designee shall warn the individual that their behavior is disrupting the meeting and that their failure to cease their behavior may result in their removal. The presiding member or their designee may then remove the individual if they do not promptly cease their disruptive behavior. This paragraph does not apply to any behavior described in subparagraph (B) of paragraph (1) of subdivision (b).

(b) As used in this section:

(1) "Disrupting" means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, one of the following:

(A) A failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law.

(B) Engaging in behavior that constitutes use of force or a true threat of force.

(2) "True threat of force" means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat.

(Amended by Stats. 2025, Ch. 327, Sec. 22. (SB 707) Effective January 1, 2026.)

54957.96. (a) The existing authority of a legislative body or its presiding officer to remove or limit participation by persons who engage in behavior that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting, including existing limitations upon that authority, shall apply to members of the public participating in a meeting via a two-way telephonic service or a two-way audiovisual platform.

(b) For purposes of this section, the following definitions apply:

(1) "Two-way audiovisual platform" means an online platform that provides participants with the ability to participate in a meeting via both an interactive video conference and a two-way telephonic service. A two-way audiovisual platform may be structured to disable the use of video for the public participants.

(2) "Two-way telephonic service" means a telephone service that does not require internet access and allows participants to dial a telephone number to listen and verbally participate.

(Added by Stats. 2025, Ch. 327, Sec. 23. (SB 707) Effective January 1, 2026.)

54957.10. Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions to discuss a

local agency employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan.

(Added by Stats. 2001, Ch. 45, Sec. 1. Effective January 1, 2002.)

54958. The provisions of this chapter shall apply to the legislative body of every local agency notwithstanding the conflicting provisions of any other state law.

(Added by Stats. 1953, Ch. 1588.)

54959. Each member of a legislative body who attends a meeting of that legislative body where action is taken in violation of any provision of this chapter, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this chapter, is guilty of a misdemeanor.

(Amended by Stats. 1994, Ch. 32, Sec. 18. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54960. (a) The district attorney or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this chapter by members of the legislative body of a local agency or to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body, or to determine the applicability of this chapter to past actions of the legislative body, subject to Section 54960.2, or to determine whether any rule or action by the legislative body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the legislative body to audio record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 54956.7, 54956.8, 54956.9, 54956.95, 54957, or 54957.6, order the legislative body to audio record its closed sessions and preserve the audio recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The audio recordings shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the audio recording is sought by either the district attorney or the plaintiff in a civil action pursuant to Section 54959, 54960, or 54960.1 alleging that a violation of this chapter has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the audio recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the date and time of the meeting recorded, and the governmental agency that has custody and control of the recording.

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this chapter, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) This section shall not permit discovery of communications that are protected by the attorney-client privilege.

(Amended by Stats. 2012, Ch. 732, Sec. 1. (SB 1003) Effective January 1, 2013.)

54960.1. (a) The district attorney or any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that an action taken by a legislative body of a local agency in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the district attorney or interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5. The demand shall be in writing and clearly describe the challenged action of the legislative body and nature of the alleged violation.

(c) (1) The written demand shall be made within 90 days from the date the action was taken unless the action was taken in an open session but in violation of Section 54954.2, in which case the written demand shall be made within 30 days from the date the action was taken.

(2) Within 30 days of receipt of the demand, the legislative body shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct or inform the demanding party in writing of its decision not to cure or correct the challenged action.

(3) If the legislative body takes no action within the 30-day period, the inaction shall be deemed a decision not to cure or correct the challenged action, and the 15-day period to commence the action described in subdivision (a) shall commence to run the day after the 30-day period to cure or correct expires.

(4) Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, or not to cure or correct, or within 15 days of the expiration of the 30-day period to cure or correct, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(d) An action taken that is alleged to have been taken in violation of Sec-

tion 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in substantial compliance with Sections 54953, 54954.2, 54954.5, 54954.6, 54956, and 54956.5.

(2) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement thereto.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid other than compensation for services in the form of salary or fees for professional services, upon which a party has, in good faith and without notice of a challenge to the validity of the action, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

(5) Any person, city, city and county, county, district, or any agency or subdivision of the state alleging noncompliance with subdivision (a) of Section 54954.2, Section 54956, or Section 54956.5, because of any defect, error, irregularity, or omission in the notice given pursuant to those provisions, had actual notice of the item of business at least 72 hours prior to the meeting at which the action was taken, if the meeting was noticed pursuant to Section 54954.2, or 24 hours prior to the meeting at which the action was taken if the meeting was noticed pursuant to Section 54956, or prior to the meeting at which the action was taken if the meeting is held pursuant to Section 54956.5.

(e) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 has been cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

(f) The fact that a legislative body takes a subsequent action to cure or correct an action taken pursuant to this section shall not be construed or admissible as evidence of a violation of this chapter.

(Amended by Stats. 2002, Ch. 454, Sec. 23. Effective January 1, 2003.)

54960.2. (a) The district attorney or any interested person may file an action to determine the applicability of this chapter to past actions of the legislative body pursuant to subdivision (a) of Section 54960 only if all of the following conditions are met:

(1) The district attorney or interested person alleging a violation of this chapter first submits a cease and desist letter by postal mail or facsimile transmission to the clerk or secretary of the legislative body being accused of the violation, as designated in the statement pertaining to that public agency on file pursuant to Section 53051, or if the agency does not have a statement on file designating a clerk or a secretary, to the chief executive officer of that agency, clearly describing the past action of the legislative body and nature of the alleged violation.

(2) The cease and desist letter required under paragraph (1) is submitted to the legislative body within nine months of the alleged violation.

(3) The time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b) has expired and the legislative body has not provided an unconditional commitment pursuant to subdivision (c).

(4) Within 60 days of receipt of the legislative body's response to the

cease and desist letter, other than an unconditional commitment pursuant to subdivision (c), or within 60 days of the expiration of the time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b), whichever is earlier, the party submitting the cease and desist letter shall commence the action pursuant to subdivision (a) of Section 54960 or thereafter be barred from commencing the action.

(b) The legislative body may respond to a cease and desist letter submitted pursuant to subdivision (a) within 30 days of receiving the letter. This subdivision shall not be construed to prevent the legislative body from providing an unconditional commitment pursuant to subdivision (c) at any time after the 30-day period has expired, except that in that event the court shall award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to this section, in accordance with Section 54960.5.

(c) (1) If the legislative body elects to respond to the cease and desist letter with an unconditional commitment to cease, desist from, and not repeat the past action that is alleged to violate this chapter, that response shall be in substantially the following form:

To _____:

The [name of legislative body] has received your cease and desist letter dated [date] alleging that the following described past action of the legislative body violates the Ralph M. Brown Act:

[Describe alleged past action, as set forth in the cease and desist letter submitted pursuant to subdivision (a)]

In order to avoid unnecessary litigation and without admitting any violation of the Ralph M. Brown Act, the [name of legislative body] hereby unconditionally commits that it will cease, desist from, and not repeat the challenged past action as described above.

The [name of legislative body] may rescind this commitment only by a majority vote of its membership taken in open session at a regular meeting and noticed on its posted agenda as "Rescission of Brown Act Commitment." You will be provided with written notice, sent by any means or media you provide in response to this message, to whatever address or addresses you specify, of any intention to consider rescinding this commitment at least 30 days before any such regular meeting. In the event that this commitment is rescinded, you will have the right to commence legal action pursuant to subdivision (a) of Section 54960 of the Government Code. That notice will be delivered to you by the same means as this commitment, or may be mailed to an address that you have designated in writing.

Very truly yours,

[Chairperson or acting chairperson of the legislative body]

(2) An unconditional commitment pursuant to this subdivision shall be approved by the legislative body in open session at a regular or special meeting as a separate item of business, and not on its consent agenda.

(3) An action shall not be commenced to determine the applicability of this chapter to any past action of the legislative body for which the legislative body has provided an unconditional commitment pursuant to this subdivision. During any action seeking a judicial determination regarding the applicability of this chapter to any past action of the legislative body pursuant to subdivision (a), if the court determines that the legislative body has provided an unconditional commitment pursuant to this subdivision, the action shall be dismissed with prejudice. Nothing in this subdivision shall be construed to modify or limit the existing ability of the district attorney or any interested person to commence an action to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body.

(4) Except as provided in subdivision (d), the fact that a legislative body provides an unconditional commitment shall not be construed or admissible as evidence of a violation of this chapter.

(d) If the legislative body provides an unconditional commitment as set forth in subdivision (c), the legislative body shall not thereafter take or engage in the challenged action described in the cease and desist letter, except as provided in subdivision (e). Violation of this subdivision shall constitute an independent violation of this chapter, without regard to whether the challenged action would otherwise violate this chapter. An action alleging past violation or threatened future violation of this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(e) The legislative body may resolve to rescind an unconditional commitment made pursuant to subdivision (c) by a majority vote of its membership taken in open session at a regular meeting as a separate item of business not on its consent agenda, and noticed on its posted agenda as "Rescission of Brown Act Commitment," provided that not less than 30 days prior to such regular meeting, the legislative body provides written notice of its intent to consider the rescission to each person to whom the unconditional commitment was made, and to the district attorney. Upon rescission, the district attorney or any interested person may commence an action pursuant to subdivision (a) of Section 54960. An action under this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(Added by Stats. 2012, Ch. 732, Sec. 2. (SB 1003) Effective January 1, 2013.)

54960.5. A court may award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to Section 54960, 54960.1, or 54960.2 where it is found that a legislative body of the local agency has violated this chapter. Additionally, when an action brought pursuant to Section 54960.2 is dismissed with prejudice because a legislative body has provided an unconditional commitment pursuant to paragraph (1) of subdivision (c) of that section at any time after the 30-day period for making such a commitment has expired, the court shall award court costs and reasonable attorney fees to the plaintiff if the filing of that action caused the legislative body to issue the unconditional commitment. The costs and fees shall be paid by the local agency and shall not become a personal liability of any public officer or employee of the local agency.

A court may award court costs and reasonable attorney fees to a defendant in any action brought pursuant to Section 54960 or 54960.1 where the defendant has prevailed in a final determination of such action and the court finds that the action was clearly frivolous and totally lacking in merit.

(Amended by Stats. 2012, Ch. 732, Sec. 3. (SB 1003) Effective January 1, 2013.)

54961. (a) No legislative body of a local agency shall conduct any meeting in any facility that prohibits the admittance of any person, or persons, on the basis of ancestry or any characteristic listed or defined in Section 11135, or which is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. This section shall apply to every local agency as defined in Section 54951.

(b) No notice, agenda, announcement, or report required under this chapter need identify any victim or alleged victim of tortious sexual conduct or child abuse unless the identity of the person has been publicly disclosed.

(Amended by Stats. 2007, Ch. 568, Sec. 35. Effective January 1, 2008.)

54962. Except as expressly authorized by this chapter, or by Sections 1461, 1462, 32106, and 32155 of the Health and Safety Code, or by Sections 37606, 37606.1, and 37624.3 of the Government Code as they apply to hospitals, or by any provision of the Education Code pertaining to school districts and community college districts, no closed session may be held by any legislative body of any local agency.

(Amended by Stats. 2006, Ch. 157, Sec. 2. Effective January 1, 2007.)

54963. (a) A person may not disclose confidential information that has been acquired by being present in a closed session authorized by Section 54956.7, 54956.8, 54956.86, 54956.87, 54956.9, 54957.6, 54957.8, or 54957.10 to a person not entitled to receive it, unless the legislative body authorizes disclosure of that confidential information.

(b) For purposes of this section, "confidential information" means a communication made in a closed session that is specifically related to the basis for the legislative body of a local agency to meet lawfully in closed session under this chapter.

(c) Violation of this section may be addressed by the use of such remedies as are currently available by law, including, but not limited to:

(1) Injunctive relief to prevent the disclosure of confidential information prohibited by this section.

(2) Disciplinary action against an employee who has willfully disclosed confidential information in violation of this section.

(3) Referral of a member of a legislative body who has willfully disclosed confidential information in violation of this section to the grand jury.

(d) Disciplinary action pursuant to paragraph (2) of subdivision (c) shall require that the employee in question has either received training as to the requirements of this section or otherwise has been given notice of the requirements of this section.

(e) A local agency may not take any action authorized by subdivision (c) against a person, nor shall it be deemed a violation of this section, for doing any of the following:

(1) Making a confidential inquiry or complaint to a district attorney or grand jury concerning a perceived violation of law, including disclosing facts to a district attorney or grand jury that are necessary to establish the illegality of an action taken by a legislative body of a local agency or the potential illegality of an action that has been the subject of deliberation at a closed session if that action were to be taken by a legislative body of a local agency.

(2) Expressing an opinion concerning the propriety or legality of actions taken by a legislative body of a local agency in closed session, including disclosure of the nature and extent of the illegal or potentially illegal action.

(3) Disclosing information acquired by being present in a closed session under this chapter that is not confidential information.

(f) Nothing in this section shall be construed to prohibit disclosures under the whistleblower statutes contained in Section 1102.5 of the Labor Code or Article 4.5 (commencing with Section 53296) of Chapter 2 of this code.

(Added by Stats. 2002, Ch. 1119, Sec. 1. Effective January 1, 2003.)

Hello,

I wanted to bring to your attention that the water at my address [REDACTED] Goldfield Drive in San Jose as well as the water I have tried at Boudin on Almaden, and Blossom Hill Whole Foods, Starbucks and Five Guys on Cottle Rd. tastes unusually bad. One of your filters may be broken. Please let me know what the issue is and if there is a way for me to get potable water in the meantime.

Thanks,

Dorota Niewczas
