

**Public Notice**  
**Santa Clara Valley Water District**  
**Draft Relocation Impact Study and Last Resort Housing Plan**  
**NOTICE OF PUBLIC REVIEW PERIOD**

The Santa Clara Valley Water District (Valley Water) is inviting all interested parties to review the draft relocation planning document for properties that may be impacted by its Anderson Dam Tunnel Project. Pursuant to the Federal Energy Regulatory Commissions (FERC) authority, for public health and safety reasons, on February 20, 2020, Valley Water received a Federal Regulatory Commission Order from FERC to further reduce risks to public safety by implementing certain risk reduction measures for dam operation and design. These measures include the construction of the Anderson Dam Tunnel Project (ADTP) anticipated to be completed in 2024.

California law requires Valley Water's Board of Directors to adopt a Relocation Plan which documents how it plans to assist persons impacted by the acquisition of property. The public will have an opportunity to submit comments regarding the Draft Relocation Plan between September 23, 2022 and October 24, 2022. Comments and responses will be incorporated into a final Relocation Plan that will be submitted to Valley Water's Board of Directors for review and consideration during its future Board meeting.

The Draft Relocation Plan is available online at: <https://www.valleywater.org/project-updates/c1-anderson-dam-seismic-retrofit>

For questions or to request an electronic copy, please call Associated Right of Way Services, Inc. at (800) 558-5151. The Draft Relocation Plan is available for review at the following locations during normal business hours:

**Santa Clara Valley Water District**  
5750 Almaden Expressway, San Jose, CA

**Morgan Hill Public Library**  
660 W Main Ave, Morgan Hill, CA 95037

We encourage you to participate in the Draft Relocation Plan review. If you would like to submit comments, please do so by October 21, 2022. Public comments to the Draft Relocation Plan can be made as follows:

***By mail to:***

ARWS c/o Emily Plurkowski  
2300 Contra Costa Blvd., Suite 525  
Pleasant Hill, CA 94523

***By phone:*** 925-691-2863

***By email:***

[eplurkowski@arws.com](mailto:eplurkowski@arws.com)

All comments must be submitted within 30 days of this posting. Comments received by October 24, 2022 will be incorporated into a final plan, which will be presented to Valley Water's Board of Directors for consideration and potential adoption.
